

# Gavin Labasse

Covington, LA | gavinlabasse@gmail.com | (985) 888-9808

## BACKGROUND

---

In my previous role reporting to the Credit Risk Officer, I developed a new facet within the credit and risk department focused on client documentation. There, I collected key documents and provided analytics for our Fortune 500 clients, including Walmart, Amazon, and Apple. I also managed and delegated tasks to new hires and interns, supporting team efficiency and onboarding. Lastly, I am highly proficient in Microsoft Office, with advanced expertise in Excel.

## EDUCATION

---

**Southeastern Louisiana University** **Hammond, LA**

*Bachelor of Business Administration | Concentration in Economics*

May 2023

- **GPA:** 4.0 (unweighted)
- **Achievements/Honors:** Summa cum laude, graduated top of class, Outstanding Academic Award in Economics (Spring 2023)
- **Relevant Coursework:** Advanced Spreadsheet Application for Business, Business Statistical Models, Corporate Valuation and Risk Management, Concepts of Database Management

## WORK EXPERIENCE

---

**TreviPay**

**Overland Park, KS (Remote)**

*Pre-Underwriting Analyst I, Credit & Risk*

June 2023 – May 2025

- Built Excel dashboards with PivotTables/Charts to deliver performance insights across departments and improve transparency in employee productivity, leading to more accurate quotas and a better understanding of staffing needs
- Increased top-client financial transparency from <10% to 80% by streamlining a document collection process
- Supervised a team of four members
- Created detailed training material in PowerPoint to assist with learning and development
- Risk Hero of the Month (July 2024)

*Intern, Credit & Risk*

December 2022 – June 2023

- Consolidated data from five sources in Excel via PowerPivot into a single monthly report, reducing the turnaround time by seven hours
- Automated data tasks in Excel using IF functions, macros, and conditional formatting

**Baton Financial Services, Inc.**

**New Orleans, LA**

*Start-Up Intern*

May 2019 – July 2019

- Designed Excel spreadsheets and edited PowerPoint presentations for corporate meetings
- Beta-tested the company's website and customer-service section of their application form whilst troubleshooting for bugs

## SKILLS & ACTIVITIES
