Proven ability to analyze payer-related data, support contract compliance, generate accurate reports, and communicate effectively with cross-functional teams.

CORE SKILLS

Analytical Skills; Attention to Detail; Insurance Billing Analysis; Home Healthcare Revenue Cycle Support; Payer Setup and Maintenance; Contract Management and Compliance; Claims Review and Reconciliation; Data Analysis and Reporting; EMR Systems (Epic, Cerner); HIPAA Compliance; Quality Assurance; Written and Verbal Communication

PROFESSIONAL EXPERIENCE

Optimum Healthcare IT – Remote | Data Abstractor | July 2024 – Present

- Analyze, validate, and abstract clinical and financial healthcare data from EMR systems (Epic, Cerner) to support accurate reporting and billing-related processes.
- Identify documentation gaps that may impact insurance reimbursement and payer compliance.
- Maintain 98%+ Inter-Rater Reliability (IRR), demonstrating strong analytical consistency and attention to detail.
- Generate and review data reports used for quality assurance, compliance monitoring, and performance evaluation.
- Collaborate with clinicians, compliance teams, and IT staff to resolve discrepancies affecting payer requirements and billing accuracy.
- Ensure adherence to HIPAA regulations and organizational compliance standards.

National Institute on Aging (NIH) | Grants Management Specialist | October 2023 – May 2025

- Managed financial and contractual components of federally funded healthcare and research programs, ensuring compliance with sponsor requirements comparable to insurance contracts.
- Reviewed funding terms, allowable costs, and compliance requirements aligned with payer and reimbursement guidelines.
- Conducted financial analysis and reporting to monitor expenditures, obligations, and budget accuracy.
- Supported internal and external audits by validating financial data and contract documentation.
- Communicated financial and compliance information clearly to principal investigators, program officials, and institutional staff.

Amazon | SDS Executive Customer Relations Specialist | March 2020 – July 2023

- Performed detailed account and financial data analysis to resolve billing discrepancies and escalated customer issues.
- Reviewed claims, transactions, and account activity to ensure accuracy and policy compliance.
- Prepared reports and tracked trends to support operational and financial decision-making.
- Delivered clear written and verbal communication to leadership and stakeholders regarding billing outcomes and resolutions.

Silverleaf Orlando Breeze Resort | RCI Audit Coordinator / Front Desk Receptionist | 2012 – 2015

- Coordinated audits and reviewed financial records to ensure accuracy and compliance.
- Maintained detailed reports and documentation for contract-related and operational reviews.
- Supported compliance efforts during organizational transitions and acquisitions.
