Experience

CONTRACT ANALYST MICHELIN CONNECTED FLEET

DEC 2024 – CURRENT

- Maintain customer contract and account files in accordance with company's policies and procedures.
- Conduct analysis by identifying potential risks that contract changes may pose to the organization leveraging contract data in ERP/CRM and other tools such as our customer-facing platform and online bill payment portal
- Provide our internal departments with the assistance needed to access, generate and interpret contract files for new and existing customers.
- Possess superior attention to detail for accurate data entry of contracts. Process 50+ contract amendments daily into internal contract database
- Identify and continually seek opportunities for process and system improvements and efficiency; collaborate with team and other departments to test and implement enhancements.

BILLING ANALYST MICHELIN CONNECTED FLEET

SEPT 2023 – DEC 2024

- Knowledgeable about preparing invoices, processing payments and pursuing past-due balances.
- Well-versed in accurately helping customers when they have questions or requests regarding their bills.
- Took care of any billing changes, for example: name changes, account ownership, and processing credits.

ACCOUNT MANAGER OTR SOLUTIONS

MAY 2021 - AUGUST 2023

- Ran a book with 400+ customers/carriers and helped resolve all their issues in a timely manner.
- Ensured success for all carriers regarding proper funding tactics and solutions for any issue that came up.
- Took care of situations that arose when collecting the carrier's payments, building a relationship with all my clients was key since I was their source of income.
