EDUCATION

WESTERN GOVERNORS UNIVERSITY

Master of Science in Data Analytics

Bachelor of Science in Computer Science

Salt Lake City, Utah

Sep 2025

Dec 2023

Relevant Coursework: Data Analytics Journey, Analytics Programming, Data Preparation, Data Storytelling, Statistical Data Mining, Machine Learning, Optimization, Deployment, Advanced Analytics, Predictive Analysis, Business Analysis, Data Warehouse

SKILLS/CERTIFICATIONS

Programming: SQL, Python, R, Java, HTML/CSS, JavaScript, C++, React.js, Django

Tools: PostgreSQL, MySQL, IntelliJ, Git, UX/UI, AWS, Figma, Machine Learning, MongoDB, Jira, Agile, PyCharm, Eclipse, Node.js, MS Excel, Tableau, Power BI, MS SQL Server, Matplotlib, Seaborn, GitHub, Pandas, SQLite, Jupyter, MS Word, NoSQL

Certification: Oracle Database SQL, CompTIA Project+, ITIL Foundations, OSHA Certified, Primavera P6

EXPERIENCE

Project Services Coordinator | Performance Contractors | Baton Rouge, LA

Present – Sep 2025

- Lead and coordinate project controls operations, including field estimating, scheduling, cost tracking, and change management for billion-dollar industrial construction projects.
- Manage digitalization and reporting initiatives using Power BI, TRUE, and FLOW, improving visibility and decision-making accuracy across field and corporate teams.
- Conduct weekly progress meetings with owners and engineers; communicate updates on deliverables, risks, and milestones to senior leadership.

Data Analyst Intern | NASA L'Space Mission Academy | Tempe, AZ

Aug 2024 – Jun 2025

- Leveraged **SQL** and **Python** to examine hardware data across 6+ spacecraft subsystems, pinpointing optimal components aligned with mission-critical KPIs and published findings to fix the three biggest causes of the crashes.
- Conspired with the Project Manager to track and report on 8+ system requirements using structured data tables, enhancing cross-team transparency across 5 sub-teams.

Project Manager Intern | Impact | Santa Barbara, CA

Mar 2023 - Jun 2024

- Coordinated efforts with a team of 6+ data professionals to deploy predictive analytics across six business subsystems, improving operational efficiency by 10%.
- Implemented **Apache Airflow** pipelines to automate data reporting workflows, accelerating report generation time by 50% and directly enabling real-time insights for stakeholders across five sub-teams.

Logistics Coordinator | Ref-Chem | Houston, TX

Apr 2022 - Aug 2022

- Charted daily welding material availability and consumption reports, accelerating supervisor decisions on procurement needs and reducing project delays by an average of one day weekly due to material shortages.
- Created an automated **Excel** formulas and macros to calculate daily material usage, reducing manual work by 8 hours weekly.

Operations Specialist | The United States Navy | Norfolk, VA

Nov 2019 - Sep 2021

- Managed the integration and operation of advanced radar and communication systems, leading to a 25% improvement in target acquisition accuracy and overall mission success rates across naval warfare areas.

PROJECTS

Customer Sales Analysis Dashboard | SQL, Power BI, Tableau

Aug 2024 - Dec 2024

- Built **Tableau** and **Power BI** dashboards to visualize core business KPIs (Monthly Recurring Revenue), saving 10 hours per week of manual reporting work.

NBA All-Star Predictor | Python, TypeScript, Machine Learning, React, Bootstrap, Figma

Dec 2023 - May 2024

- Generated a regression model to optimize route efficiency, designed **UX/UI**, and deployed the model as a web application.

LEADERSHIP EXPERIENCE AND ACTIVITIES

Computer Science Club | Co-founder; Houston, TX

Jul 2021 - Dec 2022

- Forged lesson plans, prepared projects, administered tests and quizzes, and oversaw 40+ students.
- Mentored 6 new team members in agile methodologies, which resulted in a 20% faster onboarding time and improved overall team morale as measured by weekly surveys.

Park Manor of Quail Valley | Nursing Home Volunteer; Missouri City, TX

Mar 2022 - Jul 2022

- Engaged with bedridden patients through conversations and activities, improving mood and outlook.
- Aided in the coordination of special events, such as holiday celebrations, which boosted resident morale and community spirit.
