Graduated Magna Cum Laude, May 2025

Related Coursework

- Multivariable Calculus, Data Structures, Algorithms, Computer Systems, Linear Algebra with Applications, Artificial Intelligence, Program Language Paradigms, Theoretical Foundations of Computer Science, Computational Probability

PROFESSIONAL EXPERIENCE

Steam Champs

Brooklyn, NY

Coding Coach

June 2023 – August 2023

- Taught children ages 5-12 for 10 weeks about blocking code, robotics, and other STEM concepts involving problem-solving
- Mentored high school student interns who had an interest in teaching and fostered meaningful relationships with all students
- Assisted fellow coworkers and teachers with designing course curriculum, lesson plans, and relevant homework assignments

PM Pediatrics

Port Washington, NY

Behavioral Health Intern

June 2022 – August 2022

- Created a database of 100+ pediatric behavioral health clinics to better understand the competitive landscape of PM locations
- Consolidated relevant information from several previous databases to remove any defunct or miscellaneous organizations

Urgent Care Intern

June 2020 – August 2020

- Compiled resources to build 50 state pediatric urgent care databases and continually updated with current information
- Researched new and soon-to-be-open pediatric urgent care facilities across the country for 20+ hours / per week

Port Day Camp

Port Washington, NY

STEM Teacher

June 2021 – August 2021

- Constructed a curriculum for elementary school students that covered basic engineering, chemical reactions, and physics
- Gained exposure to the responsibilities of a teacher, including managing a classroom and encouraging students to learn

Independent Tutoring

Port Washington, NY

Tutor (Computer Science, Trigonometry, Calculus)

September 2019 – August 2022

- Supported high school students with advanced math and STEM courses by utilizing homework examples and class materials
- Coached 5 students individually for 2 hours/per week and saw all students' performance improve by a letter grade or higher

LEADERSHIP & INVOLVEMENT

Route 9 Acapella Group

Amherst, MA

Director

September 2024 – Present

- Facilitate weekly rehearsals for a 15-member all-male acapella group and coordinate joint concerts with other local colleges
- Arrange 5+ songs that range in genre (pop, contemporary rock) for the group to perform at concerts throughout the semester

Social Chair/Social Media Manager

January 2024 – May 2024

- Designed marketing materials by using Canva and helped advertise for upcoming concerts by posting content on Instagram

Sports Business & Analytics Club

Amherst, MA

Active Member

September 2021 – Present

- Engage in discussion on sports analytics methodologies and practices with a focus on Major League Baseball statistics
- Code databases to display weighted runs created plus (WRC+), which measures the ability of a hitter against the average

The Green Room

Amherst, MA

Outreach Director

September 2023 – January 2024

- Led the advertising and marketing campaign by promoting 3 student-run theatrical performances on social media platforms
- Bolstered student engagement and involvement in productions and ensured each show had a sufficient crew and cast size
