Dallas, TX

Professional Summary : Detail-oriented and analytical professional with extensive experience in underwriting support and data analysis across the insurance and mortgage industries. Proven ability to assist with policy issuance, process endorsements, and maintain regulatory compliance in high-pressure environments. Skilled in reviewing financial documents, conducting risk assessments, and utilizing systems such as Salesforce, Encompass, and PowerBI to support underwriting and policy management. Adept at identifying trends, ensuring accuracy, and collaborating with cross-functional teams to meet business objectives. Committed to providing excellent customer service, maintaining confidentiality, and adhering to industry standards, including HIPAA regulations. Seeking to leverage my underwriting knowledge and analytical skills to contribute to the success of a dynamic team.

Senior Underwriter Assistant

Core Specialty Insurance Services | Remote | October 2022-March 2025

- Provided timely and accurate support to underwriters in issuing policies, processing endorsements, and maintaining underwriting files.
- Created policy documents, reviewed applications, and ensured compliance with regulatory requirements.
- Conducted data analysis to identify trends and discrepancies, improving underwriting decision-making.
- Maintained broker relationships and supported renewal transactions and credentialing processes.
- Worked independently and collaboratively to meet departmental deadlines and business priorities.
- Assisted in training procedures for new hires.
- Attended broker meetings with senior underwriters and management.
- Ensured policies and procedures adhered to HIPAA regulations and health insurance standards.
- Maintained electronic underwriting files and supported documentation for auditing and compliance.

Underwriter Assistant

HallMark Financial | Dallas, TX | August 2020 – October 2022

- Supported healthcare underwriters in the evaluation and processing of new and renewal insurance applications for health insurance policies.
- Gathered, reviewed, and validated applicant data including medical history, claims, provider information, and regulatory compliance documents.
- Input and maintained accurate and up-to-date information in underwriting and policy management systems.
- Prepared and issued policy documentation, including approvals, endorsements, and declinations in compliance with company and regulatory guidelines.
- Communicated with brokers, agents, providers, and internal departments to gather missing information or clarify underwriting questions.
- Generated reports and supported documentation for underwriting decisions and audits.
- Supported credentialing and re-credentialing processes for healthcare providers.
- Ensured policies and procedures adhered to HIPAA regulations and health insurance standards.
- Maintained electronic underwriting files and supported documentation for auditing and compliance.

Associate Underwriter

Guaranteed Rate Inc | Remote | February 2021 – May 2020

- Reviewed loan applications to ensure completeness, accuracy, and compliance with internal guidelines and investor requirements (e.g., Fannie Mae, Freddie Mac, FHA, VA).
- Assisted senior underwriters in analyzing borrower creditworthiness, income, assets, and property appraisal reports.
- Calculated borrower income using tax returns, pay stubs, W-2s, and other financial documentation.
- Identified red flags such as large deposits, credit anomalies, or inconsistencies in loan documentation.
- Ensured all necessary documentation was obtained and properly documented into Encompass.
- Communicated with loan officers, processors, and other team members to gather required information and clarify underwriting conditions.
- Prepared preliminary and final underwriting recommendations for approval or escalation to senior underwriters.
- Assisted in issuing conditional approvals, clearing conditions, and ensuring loans were ready for closing

Junior Credit Underwriter (Internship)

JP Morgan Chase | Dallas, TX | July 2019 – December 2019

- Assist in reviewing and analyzing financial documents, including credit reports, income statements, tax returns, and other relevant documentation to assess borrower creditworthiness.
- Collect and organize necessary documentation from clients and other departments, ensuring it is accurate and complete for underwriting purposes.
- Update and maintain accurate and up-to-date records in the Salesforce system, tracking the progress of deals and documenting key information.
- Aid senior underwriters in evaluating risks associated with loans by identifying potential red flags, inconsistencies, or issues in the borrower's financial history.
- Attend training sessions and shadow senior underwriters to gain practical insights into the underwriting process and industry standards.
- Assist in tracking and clearing conditions required for loan approvals, ensuring timely and accurate loan closures.
- Occasionally interact with clients and account executives to clarify underwriting questions or requests for documentation.
