WORK EXPERIENCE

Entry Level / Server / Busser

Stonefire - Columbia, SC - November 2015 to January 2016

Responsibilities

My responsibilities include active customer service in a team based environment that requires any number of aspects in customer care to cleaning the restraurant and bussing tables.

Accomplishments

Further honing my customer service skills.

Skills Used

Complete customer care, applying a trait of attention to detail, and critiqueing every part of my job to a profesional level.

Crew Member

Hardees - Elizabethton, TN - March 2014 to September 2015

Responsibilities

Considered a "key employee"

Capable of working any position in the store, front to back, day or night. from the register to the ovens, i was trained on every position and could perform all proficently.

Skills Used

I was able to peak my customer service skills from a cashier's perspective and from a back line cook's standpoint. Any possible thing that was taught, i took in and applied to my own set of customer service skills.

Customer Service Representative

Advaned Call Center Technology - Johnson City, TN - April 2013 to June 2013

Responsibilities

Complete customer care using an inbound sales based strategy. Account maintenance.
