RELEVANT WORK EXPERIENCE

DATA OPERATIONS & CLIENT ANALYTICS

Fidelity Investments (Data Analyst - Consultant) | 05/2021 – 04/2025

- Leveraged **Salesforce CRM** and **Excel** to analyze and manage **1,000+** high-value beneficiary and divorce-related investment cases annually, identifying trends and optimizing workflows. Executed and reconciled **\$50M+** in multi-million-dollar fund transfers with 100% accuracy and regulatory compliance.
- Enhanced client database accuracy by **15%** through implementation of data-quality best practices, improving reporting efficiency and decision-making.
- Developed and maintained compliance-tracking reports in Excel, supporting a **zero-violation audit record** during tenure. Resolved **95%** of platform data and interface issues independently, reducing IT escalations and improving client satisfaction scores.

True Dental Discounts (Digital Marketing & Data Analytics Specialist) 01/2018 – 04/2019

- Utilized **Google Analytics** and **Excel** to track, analyze, and report PPC campaign performance, driving data-driven optimization decisions.
- Managed daily operations of Google AdWords and Facebook Ads campaigns, using Excel-based models to track KPIs, conversion rates, and cost-efficiency.
- Reduced cost-per-click (CPC) by **15%** through targeted keyword and ad copy performance analysis.
- Developed ROI-focused PPC strategies that improved conversion rates and campaign profitability.
- Conducted trend analysis and implemented optimization recommendations based on Excel and analytics insights, enhancing ad engagement metrics.
