COMMUNITY AND WELFARE ACTIVITIES

• Health Education Programs:

January 2019

School of Dental Sciences, Sharda University

- Organized and led community health education seminars focused on oral hygiene, disease prevention, and healthy lifestyle practices, particularly in underserved rural and urban populations.

May 2019 to August 2019

Panchayat satellite center, Sharda University

- Conducted tuberculosis (TB) prevention and reduction programs, educating communities on the importance of early detection, treatment adherence, and vaccination to reduce the spread of TB.

October 2019

Department of Oral surgery, Sharda Hospital, Sharda University

- Developed and delivered oral cancer prevention programs, raising awareness about the risks associated with tobacco use, the importance of early detection, and available screening options.

• **Blazer Kitchen Volunteer:**

13 March 2024 to October 2024

University of Alabama at Birmingham

- Actively volunteered in community nutrition programs at Blazer Kitchen, working to provide nutritious meals to individuals facing food insecurity.
- Engaged with at-risk populations to foster sustainable healthy eating habits, supporting broader public health goals related to nutrition and wellness.

• **Public Health Dentistry Initiatives:**

January 2022

Dant Yog Dental clinic, Greater Noida

- Organized and participated in dental outreach programs, offering free dental screenings, hygiene kits, and preventive treatments in underserved communities.

April 2022 to March 2022

Dant Yog Dental clinic, Greater Noida

- Worked closely with public health teams to implement oral disease prevention strategies, including oral cancer screenings and educating populations on reducing the burden of preventable oral diseases.
- Promoted integration of oral health and general health by educating communities on the systemic effects of poor oral hygiene, such as its links to cardiovascular disease, diabetes, and respiratory issues.

• Professional Engagement

September 3, 2024 – December 6, 2024

Volunteer at Grace Klein Community, Inc., Hoover, AL

- Engaged with diverse populations and volunteers to assess community needs and deliver services.
- Conducted public health research and data analysis to support content on food insecurity, nutrition, and child wellness.
- Coordinated community outreach efforts including safe food handling, drive-thru distribution, and volunteer engagement.

April 11 – April 15, 2025

Undergraduate Research Forum Judge – Tech & Science Division College of Natural Sciences, The University of Texas, Austin.

- Selected as a volunteer judge for virtual undergraduate research poster presentations.
- Evaluated student research across multiple STEM disciplines using Rocket Judge scoring platform.
- Provided feedback on scientific communication, research methodology, and presentation quality.

April 21–25, 2025

Virtual Judge – Spring 2025 Undergraduate Research Expo University of Alabama at Birmingham (UAB), Office of Service Learning and Undergraduate Research.

- Evaluated undergraduate research presentations across multiple disciplines in an online format
- Provided constructive feedback and engaged with student researchers through discussion boards
- Completed scoring rubrics and contributed to promoting undergraduate scholarship
