WORK EXPERIENCE

Fanatics (Contract)- *ecommerce -Tampa, FL* October 2024 - December 2024

Procurement & Supply chain Analyst

- Audited purchasing trends and vendor performance data for 50+ international partners, improving data accuracy by 30%
- Built and maintained Power BI and MicroStrategy dashboards to monitor shipment delays, pricing, and vendor
- Investigated and resolved 30+ weekly shipment delays based on reason codes
- Delivered insights to directors for faster decisions using advanced Excel formulas and tables
- Partnered cross-functionally to identify and resolve discrepancies across sales and shipment data

Comcast (Full-Time) *Philadelphia, PA (Remote)* June 2023-June 2024

Workforce Management Data Analyst III

- Audited and validated workforce adherence data across multiple sources using SQL, Teradata, and Excel pivot tables
- Created and automated dashboards in Tableau and Excel, tracking call center KPIs(hold times, response times)
- Updated dashboards via Viz portal(front-end project management server) from Excel and Tableau using VLOOKUP and data mapping to streamline data delivery
- Designed and managed department-wide KPI surveys to capture and evaluate performance data

Vendor Management Data Analyst (Intern) Tallahassee, FL (Remote) May 2022 - August 2022

- Created Power BI dashboards using extracted vendor data to visualize contract and password audit information
- Automated user profile updated processes, saving managers 15+ hours per week
- Cleaned and structured large datasets containing thousands of roles for improved downstream reporting

Project Work

E-Commerce Pricing Optimization (Python, Power BI) August 2025

- Cleaned and standardized messy e-commerce price data across multiple currencies, including fixing text encoding issues (e.g., INR symbols) in python and Excel.
- Engineered new metrics (Discount %, Price Tiers, Customer Savings) to support pricing and affordability analysis.
- Designed interactive Power BI dashboard (in progress) with KPIs, pricing distribution, and discount insights.
