EDUCATION

Temple University, College of Liberal Arts – Philadelphia, PA

2024 May

Bachelor of Arts, Environmental Studies | Certificate in Geographic Information Systems

RELEVANT COURSEWORK

Senior Seminar

2024 Spring Semester

Temple University, College of Liberal Arts – Philadelphia, PA

- Written policy paper on why State, local, and federally contracted companies should be ISO-14001-certified prior to and during their contracted work to promote sustainable practices in the business realm
- Co-written class-wide policy paper (12 students and 1 professor) critiquing Temple University's annual sustainability report and suggesting better practices to help reach sustainability goals

Fundamentals of Geographic Information Systems

2022 Spring Semester

Temple University, College of Liberal Arts – Philadelphia, PA

- Authored report on greenspace implementation in Philadelphia, PA using ArcGIS, and concluded that North, South, and Central Philadelphia significantly lack greenspace implementation when compared to Northeast, West, and Southeast Philadelphia. Therefore, those areas should be looked at in the future for potential greenspace expansion for equity
- Presented to a class of 20 students on greenspace equity in Philadelphia, PA, using Microsoft Power Point
