PROFESSIONAL EXPERIENCE

The Juilliard School

Web Development Intern

Manhattan, NY

June 2024 - Aug. 2024

- Created a data retrieval tool in excel using VBA for the Finance department to track FY24 grants, and donations
- Assisted in the development and maintenance of the school's official website using HTML, CSS, and JavaScript

The Actuarial Foundation

Modeling the Future Challenge: Judge

Manhattan, NY

Nov 2023 - May 2024

- Evaluated project proposals based on a ski resort scenario, assessing risk factors, financial modeling, and decision-making across three ski resorts over 20 years with varying snowfall conditions
- Produced an informative video for prospective high school students interested in an actuarial science career

PriceWaterhouseCoopers

Risk Modeling Services: Life Intern

Manhattan, NY

June 2023 - Aug. 2023

- Leveraged AWS Quicksight to effectively visualize and present dashboards to a prominent large-scale client
- Performed Variable Annuity UMA testing using Excel VBA, applying Martingale and Black-Scholes formulas to assess financial modeling and risk analysis

State Farm Insurance

Sales Representative

Brooklyn, NY

June 2022 - Oct. 2022

- Accelerated agency sales by 12% from prior year to date, driving significant growth for the sales team
- Transacted various types of insurance policies, including Property & Casualty and Life insurance

Bloomberg Philanthropies & Studio Institute

Marketing & Development Intern

Manhattan, NY

June 2019 - Aug. 2019

- Launched a grant proposal with coworkers that resulted in the acquisition of \$150,000 in grant funds from M&T Bank for research and development for a non-profit organization specializing in experimental theater
- Supported the Director of Development on projects, including grant-seeking, research, and proposal writing

EXTRACURRICULAR ACTIVITIES

Bottom Line National Alumni Advisory Committee - Alumni Chair

Oct. 2023 - Present

- Advised on organizational initiatives, student engagement policies, and strategic growth, ensuring student and alumni perspectives shape key programmatic decisions

Hofstra NOAH Advisory Council - Financial Team Chair

Sep. 2023 - May 2024

- Managed councils finances and resource allocation, collaborating with council members to develop budgets for student events, including a campus BBQ, and merchandise sales

Hofstra Gamma Iota Sigma Chapter - Former President

Sep. 2023 - May 2024

- Implemented a structured event calendar, including workshops, guest speaker sessions, and networking events, to enhance members' knowledge and professional connections

Hofstra Symphony Orchestra - Principal Horn

Sep. 2020 - May 2024

- Coordinated the Horn section and performance of major orchestral works, including Tchaikovsky's Swan Lake, Beethoven's Fifth Symphony, and Rachmaninov's Symphony No. 2 as section soloist
