MPH-trained epidemiologist with hands-on infection prevention experience in acute care, surveillance, and regulatory readiness. Skilled in EMR abstraction and translating data into operational improvements. Experienced with EPIC, REDCap, RStudio, and CDC/Joint Commission standards.

EDUCATION

University of Illinois at Urbana-Champaign

August 2020-December 2025

Master of Public Health - Epidemiology

GPA: 4.0/4.0

Bachelor of Science in Community Health – Health Administration

GPA: 3.96

Relevant Coursework: Biostatistics, Epidemiology, AI in Public Health, GIS, Health Administration, Health Finance

WORK EXPERIENCE

Advocate Christ Medical Center

Oak Lawn, IL

Infection Prevention Intern

May 2025-Present

- Completed a spatial analysis of *Candida auris* cases to identify environmental and geographic clustering patterns, informing system-level mitigation strategies across acute and post-acute settings
- Leading an ongoing case-control study evaluating clinical and procedural risk factors for *C. auris* acquisition, including EMR abstraction and variable development
- Abstracting EMR and REDCap data using EPIC and RStudio to detect trends and guide infection control
- Conducted infection prevention rounds and compliance audits in alignment with CDC, APIC, and Joint Commission standards to improve regulatory readiness
- Designed and implemented educational materials and REDCap-based audit tool to enhance *Candida auris* surveillance workflow
- Collaborated with nursing, EVS, microbiology, and quality teams to address practice gaps and support regulatory readiness

Champaign-Urbana Public Health District

Champaign, IL

Illinois Project for Local Assessment of Needs (IPLAN) Intern

August 2023-December 2023

- Performed health outcome analysis to identify public health needs in Champaign and Vermilion counties
- Created 20+ infographics and weekly newsletters translating epidemiologic data into strategic insights
- Supported public health planning through data synthesis and cross-departmental collaboration

Community High School District 218

Palos Heights, IL

Building and Grounds Operations Technician

June 2021-August 2024

- Coordinated cross-functional teams to execute safety-focused maintenance projects
 - Improved operational efficiency through planning and workflow alignment
-

LEADERSHIP EXPERIENCE

Advocate Children's Keyser Family Pediatric Cancer Center

Oak Lawn, IL

Leader of Service Project

January-September 2019

- Coordinated with hospital staff to distribute 25+ handmade blankets to pediatric cancer patients
 - Led project planning and implementation with a focus on compassionate care
-
