

Aya Rashid Dahbour

901-219-2899 • Memphis, TN • Aya.dahbour2002@gmail.com

Motivated and detail-oriented Computer Engineer with hands-on experience in software development and automation. Skilled in Python, C#, .NET, Linux scripting, and Git/GitHub version control. Solid understanding of the Software Development Life Cycle (SDLC) and object-oriented programming principles. Strong analytical and problem-solving abilities with a focus on writing efficient, maintainable code and collaborating effectively within cross-functional teams.

PROFESSIONAL EXPERIENCE

Progreiner Technologies | Aug 2024 - July 2025

Associate Software Engineer

- Gained practical experience with the **Software Development Life Cycle (SDLC)**.
- Developed automation scripts in **Python** and **Linux**, improving workflow efficiency.
- Worked with **C# .NET** applications under supervision of senior developers.
- Utilized **Git and GitHub** for version control and collaborative development.
- Applied object-oriented programming principles and debugging practices in real-world projects.

Birzeit University | Feb 2024 – July 2025

Graduation Project – Handwriting Recognition System

- Developed a real-time **handwriting recognition system** using **Python, TensorFlow, and Keras** based on **CRNN + CTC architecture**.
- Conducted **dataset preprocessing and augmentation** (grayscale normalization, resizing, ElasticTransform, Brightness/Contrast tuning) using **Albumentations**.
- Trained and evaluated models on **Kaggle's Handwriting Recognition dataset** (~330k samples) achieving **~98% character accuracy** and **~85% word accuracy**.
- Authored a comprehensive **technical report** including **data analysis, coding documentation, and performance evaluation**.

EDUCATION

Bachelor's Degree in Computer Engineering | Birzeit University (2020 – 2025)

SKILLS & LANGUAGES

Technical: Python · C# · Java · C · .NET · SQL/MySQL · Linux · Git/GitHub · OOP · SDLC · Automation · Debugging · System Design

Professional: Data Analysis · Project Management · Teamwork · Communication · Time Management · Problem Solving · Attention to Detail

Languages: English (Fluent) · Arabic (Native)

VOLUNTEER EXPERIENCE

IEEE Birzeit Student Branch | Birzeit University

Active Member / Programming Team

Organized and supported technical events, fostering teamwork and innovation within the engineering community.
