

CHRISTINA HUOTH

Cape Coral, FL • (603) 930-6530 • Huoth.Christina@gmail.com

PROFESSIONAL SUMMARY

Detail-oriented Financial Analyst with experience in financial operations, revenue reporting, and data-driven decision support within the investment and insurance sectors. Recognized for delivering accurate financial insights that improve operational efficiency and support leadership in strategic planning. Advanced proficiency in Excel with working knowledge of Tableau and SharePoint. Strong collaborator skilled in transforming complex financial data into actionable business intelligence.

PROFESSIONAL EXPERIENCE

Fidelity Investments

Senior Pension Analyst | Oct 2022 – Oct 2025

- Ensured accuracy of pension-related financial data, reconciliations, and revenue tracking.
- Conducted variance analysis to identify discrepancies and implemented corrective actions.
- Developed and maintained Excel-based models for forecasting plan obligations and supporting CMS and audit requirements.
- Streamlined reporting workflows to improve turnaround time on client deliverables.
- Prepared KPI summaries for management highlighting operational performance trends.

Multi-Channel Financial Service Associate | Apr 2022 – Oct 2022

- Analyzed customer and account records across multiple channels to ensure financial accuracy.
- Prepared reports summarizing call activity, volume trends, and customer behaviors.
- Supported process improvements that enhanced service quality and operational efficiency.

Financial Service Associate II – Tax Exempt | Jul 2021 – Apr 2022

- Managed reconciliations and data integrity for 403(b), 457(b), and 401(a) plans.
- Contributed to revenue forecasting and tracking of plan contributions and distributions.
- Created dashboards and analytical summaries to communicate plan performance.
- Maintained compliance with internal controls and regulatory requirements.
- Improved workflow accuracy by proactively identifying and resolving inefficiencies.

Customer Relationship Advocate | Nov 2020 – Jun 2021

- Delivered detailed financial insights to clients regarding investment performance trends.
- Ensured accuracy in account documentation and serviced client requests with compliance focus.

Burtons Grill & Bar

Server / Trainer | Aug 2018 – May 2021

- Maintained high-quality operations in a fast-paced environment with strong attention to detail.
- Trained new employees on workflow accuracy, process consistency, and customer experience standards.

ADDITIONAL HIGHLIGHTS

- Skilled at organizing and extracting insights from large financial datasets.
- Strong knowledge of retirement plan structures, annuity products, and operational controls.
