Results-oriented recent MBA graduate Bachelor's in Finance with hands-on experience in data management, Salesforce implementation, roster analysis, and stakeholder reporting. Proficient in SQL, Excel, Google Sheets, VLOOKUP, Canva, and visualization tools for delivering accurate datasets and actionable insights. Former Division II collegiate athlete with strong discipline, time management, and high-performance drive in fast-paced teams. Seeking to leverage analytical and business skills as a junior data analyst.

EXPERIENCE

Data Analyst and Athletic Relations - Contract | The Brandr Group JULY 2025 – PRESENT

- Managed athlete branding and social media deliverables using Canva, ensuring 100% alignment with individual/team objectives for over 200+ athletes.
- Maintained and cross-referenced accurate roster information across internal systems and Google Sheets, reducing data discrepancies by 90% accuracy.
- Collaborated with athletes and stakeholders to create presentation decks in Google Slides and Canva, supporting marketing initiatives and timely delivery of assets.

College Softball/Graduate Student | Edward Waters University MAY 2024 - JULY 2025

- Balanced rigorous MBA coursework with Division II athletics, demonstrating exceptional time management and resilience under pressure.

Administrative Assistant | Crowley Maritime SEPTEMBER 2022 – NOVEMBER 2023

- Organized and managed digital records for Ship Assist and Advanced Energy departments, improving retrieval efficiency and compliance.
- Coordinated sales team meetings and project alignment, facilitating smooth execution of ongoing initiatives.
- Supported enterprise-wide deployment of Salesforce and DocuSign, training users and streamlining document workflows across departments.

Softball Instructor | Independent Business Owner JANUARY 2022 - PRESENT

- Designed and delivered customized training programs for 35+ customers across competitive levels, focusing on pitching, hitting, and performance strategy.
- Managed a competitive travel ball team, fostering team cohesion, accountability, and measurable skill development.
