EXPERIENCE

EXECUTIVE ASSISTANT/ OPERATIONS COORDINATOR

FAMILY-OWNED BUSINESSES (BAKERY & HAIR SALON) | TEXAS 2019 – PRESENT

- Provided direct executive and administrative support to business owners, managing schedules, priorities, and daily operations across multiple business locations.
- Coordinated vendors, suppliers, and service providers; supported business setup, relocation, and physical space preparation including logistics and inventory organization.
- Drafted and managed professional communications, internal documentation, and operational records while maintaining confidentiality and data integrity.
- Supported leadership with meeting preparation, task follow-up, and workflow tracking to ensure timely execution of decisions.
- Identified inefficiencies in daily operations and implemented process improvements to streamline scheduling, ordering, and coordination.
- Acted as a liaison between leadership, staff, and external partners, resolving issues proactively and maintaining professional relationships.
- Supported senior leadership in executive scheduling, operations coordination, document management, and cross-functional communication in multi-location business environments.

CERTIFIED PHARMACY TECHNICIAN

CVS PHARMACY | TEXAS 2023 – PRESENT

- Operate in a highly regulated, safety-critical environment requiring strict adherence to procedures, accuracy, and compliance standards.
- Process prescriptions, verify information, and maintain precise documentation while working efficiently in high-volume conditions.
- Communicate clearly with patients and healthcare professionals, applying empathy, active listening, and conflict de-escalation skills.
- Maintain confidentiality of sensitive patient and business information in compliance with legal and organizational policies.

LANGUAGES

- English: Native
- Mandarin Chinese: Beginner (actively studying)

ADDITIONAL INTERESTS

- Process optimization, quality assurance, cross-cultural communication, international business environments, and building efficient systems that support people and organizations.
