

Sowmya Rompi

Data Analyst

Montgomery, AL | +1 (334) 538-3685 | rsowmya0807@gmail.com | [LinkedIn](#)

Professional Summary

Data Analyst with 3+ years of experience in **SQL, Python, Excel (PivotTables, Power Query)**, BI tools (**Tableau, Power BI**), **Snowflake**, and Cloud platforms (**AWS, Azure**). Skilled in **ETL** pipelines, data modeling, query optimization, and **KPI dashboard** development. Strong background in **financial analytics**, supply chain data, and compliance reporting (**HIPAA, AML/KYC, Basel III**). Adept at automating workflows, ensuring data quality, and delivering actionable insights to business stakeholders.

Experience

JPMorgan Chase & Co. – AL, USA | Data Analyst/Software engineer | Jul 2025 – Present

- Wrote complex SQL queries (joins, window functions, subqueries) to extract financial data, reducing processing time by 30%.
- Developed ETL workflows using Azure Data Factory and Databricks, automating ingestion of 1M+ records with 40% less manual effort.
- Built Tableau and Power BI dashboards to visualize KPIs, enabling data-driven decisions across finance, compliance, and risk teams.
- Optimized Snowflake warehouses with clustering keys, partitions, and query tuning, improving execution performance by 25%.
- Designed incremental data loads using Snowflake streams and tasks, supporting near real-time reporting.
- Ensured regulatory compliance (HIPAA, AML/KYC) by building audit-ready reports and applying data governance policies.
- Built scalable data workflows using Python and Azure, automating processes and improving reliability for real-time financial analytics.

Dell Technologies – Hyderabad, India | Data Analyst | Jan 2021 – Jul 2023

- Designed and maintained ETL pipelines with Apache Airflow, Azure Data Factory, and SQL, integrating large datasets into Snowflake and SQL Server.
- Built Power BI dashboards for supply chain, SLA monitoring, and product lifecycle KPIs, increasing reporting accuracy by 30%.
- Wrote SQL queries with joins, CTEs, and window functions to calculate running totals, rank products, and forecast demand.
- Automated monthly reporting with Excel PivotTables and Power Query, reducing reporting time from 5 days to 1.
- Performed data validation and UAT testing to ensure accuracy in 20+ business-critical reports.
- Partnered with IT and product teams to enforce data quality rules and strengthen audit compliance.

Trinity Technolabs – Hyderabad, India | Data Analyst Intern | Jul 2020 – Dec 2020

- Queried customer interaction data with SQL to measure campaign performance and sales trends.
- Created Excel dashboards (PivotTables, charts) and Power BI reports to summarize marketing KPIs.
- Used Python (Pandas, NumPy) to clean and transform website traffic data for reporting.
- Supported A/B testing analysis by writing queries and summarizing results for digital marketing teams.

Projects

Housing Price Analysis | SQL, Python, Tableau, Excel

- Used **SQL** for data extraction and **Python (Pandas, NumPy, Matplotlib)** for feature analysis.
- Built **Tableau** dashboards and Excel PivotTables to visualize price trends and factors.

UFO Sightings Analysis | SQL, Tableau, Excel

- Cleaned 10,000+ records using SQL, Power Query, and Excel functions.
- Built interactive Tableau dashboards with filters and geospatial maps, improving stakeholder insights by 40%.

Technical Skills

- SQL & Databases:** SQL, Snowflake, SQL Server, MySQL, PostgreSQL, Oracle, BigQuery
- Programming:** Python, R, VBA, Shell Scripting
- BI & Visualization:** Tableau, Power BI, Looker, Excel, Google Data Studio
- ETL & Cloud:** Azure Data Factory, AWS (S3, Redshift, Glue, Lambda), Apache Airflow, GCP BigQuery
- Data Modeling:** Star Schema, Snowflake Schema, Fact/Dimension Tables
- Data Quality & Compliance:** Data Validation, QA Testing, UAT, Regulatory Reporting (HIPAA, AML/KYC, Basel III)
- Collaboration:** Git, GitHub, JIRA, Confluence, SharePoint
- Business Skills:** Agile (Scrum, Kanban), KPI Reporting, BRD, FRD, Documentation

Education

Auburn University at Montgomery – AL, USA

M.S. in Management Information Systems | Aug 2023 – May 2025

Vidya Jyothi Institute of Technology – Hyderabad, India

B.Tech. in Electronics & Communication Engineering | Aug 2017 – Aug 2021
