SUMMARY

Senior *Ads Measurement Analyst* with experience in TikTok Ads Measurement, specializing in web and app tracking, attribution analysis, and campaign performance optimization. Skilled in SQL, data analysis, and marketing analytics, with a proven track record of supporting 800+ clients, improving ROI, and resolving complex tracking discrepancies across platforms.

SKILLS

Analytics & Tools: SQL, Power BI, Excel, Tableau, Python, R

Ad Tech: TikTok Ads Manager (TTAM), Events Manager (TTEM), Google Analytics, Shopify Analytics

Tracking & Integration: TikTok Pixel, Events API, Google Tag Manager (GTM), UTM parameters

Mobile Measurement: AppsFlyer, Adjust, Singular, Tenjin, SKAdNetwork (SKAN 4.0)

Technical: API integration, JSON payload validation, debugging, attribution analysis

EXPERIENCES

Atento - TikTok | Miramar, FL

June 2025 - Present

Senior Ads Measurement Analyst

- Supported **800+ clients** with end-to-end **web and mobile tracking integrations**, implementing TikTok Pixel (browser & server-side), Events API, and app tracking solutions to enable accurate campaign measurement and ROI analysis
- Optimized **tracking accuracy and attribution** by conducting pixel audits, event validation, and implementing advanced matching (click ID, cookies, IP, user data), improving Event Match Quality and ad delivery performance
- Analyzed and resolved **cross-platform data discrepancies** using SQL across TikTok Ads Manager, Events Manager, Google Analytics, Shopify, and MMPs; guided clients on **CTA, VTA, EVTA attribution models** to improve decision-making
- Led **mobile measurement integrations** (AppsFlyer, Adjust, Singular, Tenjin, TikTok SDK) and implemented **SKAN 4.0 schemas**, while maintaining **100% SLA compliance** and improving customer satisfaction by **45%** through high-quality support and documentation

Florida International University | Miami, FL

August 2023 - April 2025

Graduate Teaching Assistant

- Evaluated 60+ system-level projects, identifying error patterns and improving student understanding of OS concepts
- Provided technical guidance on threads, synchronization, and memory management, enhancing learning outcomes

Student IT Assistant

- Resolved 200+ technical requests/month for students, faculty, and staff using ServiceNow, improving system reliability and user satisfaction
- Analyzed recurring issues and optimized troubleshooting workflows in ServiceNow, increasing resolution efficiency and reducing repeat incidents

Tata Consultancy Services | Bhubaneswar, IN

October 2022 - July 2023

Data Analyst

- Built Power BI dashboards with DAX and Power Query to visualize KPIs, automate reporting workflows, and reduce manual reporting effort
- Wrote complex SQL queries (joins, window functions, aggregations) to clean, validate, and analyze datasets, improving data reliability to 98%+
- Conducted trend analysis, variance analysis, and KPI tracking, identifying key insights using python that informed business strategy and improved operational performance

EDUCATION

Master of Science in Computer Science

August 2023 - April 2025

Florida International University; Miami, FL

- DBMS, Data Science, Data Visualization, Data Mining, Advance DBMS

Bachelors in Computer Science

July 2018 - July 2022

Jawaharlal Nehru Technological University; Hyderabad, IN

- DBMS, Data Mining, Information Retrieval Systems

PROJECTS

WiTCON25 Insights Dashboard (Power BI) | Miami, FL

April 2025

- Analyzed **800+ event records**; built dashboards to track engagement and identify a **57% check-in rate**

Data Professionals Survey Analysis (Power BI) | Miami, FL

March 2025

- Analyzed **600+ responses** to identify salary trends, role distribution, and in-demand tools

CERTIFICATIONS

Google Data Analytics Professional Certificate
