Work Experience

Data Steward Analyst (Remote), Sanmara Consulting 07/2025 – Present | Houston

- Managed 20,000+ client and transaction records across Salesforce, InterAction, and InTap, ensuring accurate data entry, normalization, and consistency for reporting and analytics.
- Performed data validation, deduplication, and cleanup in Excel and CRM systems, improving data accuracy by 30% and reducing reporting errors.
- Supported client onboarding, off-boarding, and data migrations, verifying records against firm data standards before release.
- Conducted routine data quality checks and reconciliations, maintaining over 99% data reliability across client datasets.
- Produced data and operational reports for consultants and leadership to highlight data gaps, process issues, and opportunities to improve client delivery.

Data Steward Specialist (Remote), Baker Botts 10/2023 – 06/2025 | Houston

- Maintained and cleaned client data across InterAction and InTap CRMs, ensuring consistent data quality and accuracy.
- Processed event lists, client enrollments, and relationship records, delivering reports to leadership with 100% data integrity.
- Managed ServiceNow data requests, including client onboarding, off-boarding, record updates, and list creation.
- Supported the CRM migration from InterAction to InTap, validating transferred records and tracking project status.
- Cleaned and consolidated 30,000+ records using Excel and CRM tools, removing duplicates and maintaining >99% accuracy.

Omnichannel Data Specialist, Academy Sports and Outdoors 05/2023 – 09/2023 | Houston

- Managed and organized large data sets across multiple e-commerce platforms, ensuring data accuracy and consistency through regular quality checks and reporting using salesforce.
- Created workflows for handling backlog entries across channels, accelerating data processing timelines for over 30,000 entries.
- Documented data entry procedures to support streamlined task scheduling and improve cross-team collaboration.

Data Specialist, Auditor, Marvelous Counseling & Therapy 01/2023 – 05/2023 | Houston

- Oversaw RxClaims transactions by verifying prescription details, troubleshooting discrepancies, and coordinating with pharmacy teams to resolve issues efficiently.
- Facilitated accurate and timely entry of over 1,000 data points daily, consistently meeting project scheduling milestones and accuracy.
- Coordinated with partners to ensure on-time delivery of audited documentation via SharePoint, enhancing collaborative workflow.
- Conducted quality assurance checks on all entered data to ensure accuracy and completeness, resulting in improved audit scores.

Data Entry Specialist, Robert Half 09/2022 – 12/2022 | California

- Verified voter information for completeness, accuracy, and compliance with state election requirements
- Processed large volumes of time-sensitive data under strict deadlines
- Flagged discrepancies, duplicates, and missing information for review
- Maintained strict confidentiality and nonpartisan standards when handling sensitive voter records
- Supported election staff with data cleanup, reporting, and audit preparation

Public Health Data Coordinator, LA Department of Public Health 01/2022 – 08/2022 | California

- Contacted and filled patient enrollment application for covid-19 patients and carefully imputed this data into salesforces to ensure easily communication with different group of patients.
- Contacted over 1000 Covid-19 patients and educated them on how best to stay safe with their families while maintaining customer privacy and (HIPPA) guidelines.
- Generated and distributed weekly and monthly reports using Salesforce and Excel, providing insights into enrollment trends and operational performance.
