SUMMARY

Aspiring Software Engineer with a strong foundation in software programming and a B.S in Computer Science from the Illinois Institute of Technology. Experience in Java, C/C++, Python, SQL, with hands-on projects using Git, aligning with development needs. Developed skills in systems programming and databases, eager to leverage technical skills to contribute solutions in a dynamic company.

EDUCATION

B.S., Computer Science

AUGUST 2018 -MAY 2023

Illinois Institute of Technology, Chicago, IL

Relevant Coursework:

- ❖ **Core CS:** Data Structures & Algorithms, Software Engineering, Systems Programming, Object-Oriented Programming
- ❖ **Systems & Security:** Operating Systems, Introduction to Information Security, Computer Organization & Assembly Language
- ❖ **Data & Logic:** Database Organization, Discrete Structures, Introduction to Algorithms, Computational Math

SKILLS

- ❖ **PROGRAMMING LANGUAGES:** Java, C++, SQL, Python, HTML, CSS, JavaScript
- ❖ **DEVELOPMENT:** Embedded Systems, Front-end Development, Back-end Development, Version Control (Git), Database
- ❖ **LANGUAGES:** English, Spanish

WORK EXPERIENCE

Automotive Engineer

Stellantis , Auburn Hills, MI

MARCH 2024-JUNE 2024

- ❖ Completed intensive training on CAN bus systems and ECU signal interpretation using CANoeVector software, enhancing diagnostic accuracy in vehicle systems
- ❖ Reviewed and reported vehicle diagnostics to senior staff, reducing lead time for addressing potential issues and improved vehicle testing
- ❖ Participated in technical reviews to identify root causes and potential solutions for ECU signal inconsistencies, contributing to improved system reliability and performance
- ❖ Gained foundational understanding of automotive diagnostics and embedded systems behavior, supporting more effective troubleshooting and system optimization

Picnic Attendant

Chicago Zoological Society, Brookfield, IL

MAY 2018 - FEB 2020

- ❖ Ensured seamless service and enhanced guest experiences by providing efficient catering support for high traffic events such as weddings, donor dinners, and holiday celebrations
- ❖ Collaborated with team members to streamlining event operations across multiple departments, resulting in improved efficiency and enhanced guest satisfaction
- ❖ Represented the organization during annual community events, including performing as Frosty the Snowman at 'Breakfast with Santa', enhancing community engagement
