EXPERIENCE

11/2024 to Present| Customer Service Representative: Internal Revenue Service GS-0962-5

- Conduct account analysis to resolve taxpayer compliance issues, using secure databases to access and manage sensitive financial records.
- Perform high-volume authentication and documentation review, demonstrating skills transferable to PHI protection in healthcare settings.
- Apply structured procedures to investigate and resolve complex inquiries with accuracy.

11/2023 to 11/2024| Front Desk Associate: The Joint Chiropractic

- Verified patient information, processed intake documentation, and maintained up-to-date clinic statistics—supporting data-driven operational workflows.
- Scanned and uploaded health records while maintaining HIPAA compliance.
- Provided first-level support to patients, improving access to care through accurate scheduling, call handling and efficient workflow.

04/2022 to 12/2024| Sales Associate: Finish Line - Friendswood, TX (Part-time)

- Provided positive first impressions to welcome existing, new, and potential customers.
- Prepared merchandise for the sales floor by pricing or tagging.
- Solved customer challenges by offering relevant products and services.
- Maintained accurate records of transactions, sales, and returns—skills aligned with documentation standards in healthcare settings.
- Trained peers in system use and product knowledge, supporting cross-functional collaboration.

11/2022 to 11/2023| Manager: Massage Envy- Houston, Tx (Full-time)

- Oversaw clinic operations, processed employee payroll, and presented performance data to leadership.
- Recruited and trained new staff; supported clinic's EHR-like system for client records and reporting.
- Led patient intake process and addressed client health documentation and appointment management.

07/2020 to 09/2021| Contract Customer Service Representative: Arise Platform (Full-time)

- Delivered exceptional support through virtual platforms; documented client needs in CRM and responded to service requests within regulated guidelines.
- Applied quality control standards to each call, echoing compliance and documentation protocols seen in healthcare environments.
