EXPERIENCE

University of California, San Diego Milk Bank

Operations Analyst Intern

San Diego, CA
May 2025-Present

- Perform location analyses across Southern California to estimate best investment opportunity for UCSD Milk Bank's rapid expansion, creating a weighted scoring model and heat map to validate top-performing locations
- Redesign automated inventory tracking system to track current supply and demand trends, enabling the creation of a time series forecast model that improves supply planning accuracy for future donor milk needs
- Lead team of 5 MBAs in agile scrum meetings to identify operational pain points and assess feasible solutions

Crumb! Cookies

Supply Chain Analyst Intern

San Diego, CA
Mar-May 2025

- Analyzed 52-week backlog and weekly demand data to validate future supply needs, enabling proactive inventory adjustments and improved alignment between supply and forecasted demand, leading to operational excellence
- Evaluated end-to-end inventory management, ordering workflows, and supplier performance, identifying inefficiencies and proposing process enhancements to reduce stockouts and excess inventory
- Delivered strategic recommendations to management, supported by data visualizations and KPIs, to improve supply chain responsiveness, streamline replenishment cycles, and strengthen overall supply chain performance

Sleeper

Brand Strategy Intern

Remote; Boston, MA
May-Aug 2024

- Bolstered the #2 Sports App through digital and social marketing campaigns, reaching an audience of 5,000+
- Strategically positioned advertisements to reach target audience, optimizing growth of pilot software by 30%
- Conducted extensive research analysis of growth trends in other national universities, resulting in a top-5 university finish nationwide, among competitors with 10-20x potential population
