LEE CHARLES

PROFESSIONAL SUMMARY

Dynamic and results-driven operations leader with a strong background in financial services, strategic planning, and process optimization. With extensive experience in wealth management, hospitality, and corporate operations, I excel in streamlining workflows, enhancing efficiency, and driving business growth.

EMPLOYMENT HISTORY

CO-FOUNDER | FINANCE & OPERATIONS

Jan 2024 – Jun 2025

Pholeo Inc.

- Developed and executed financial strategies to support short- and long-term revenue goals.
- Managed budgeting and forecasting processes, ensuring alignment with company growth objectives.
- Oversaw outsourced accounting services for day-to-day transactions, payroll, tax filings, and financial reporting.
- Conducted financial analysis to identify risks, support pricing strategies, and optimize cost structures.
- Provided financial insights to support decision-making across departments and guided leadership in growth and investment opportunities.

SENIOR OPERATIONS MANAGER

Jul 2023 – Dec 2024

eGuide Tech Allies

- Provided strategic logistical support to core operations, optimizing processes and fostering efficiency across departments.
- Collaborated with the sales and partnerships team, contributing to successful partnerships and business expansion.
- Worked directly with the Owner/CEO to align operational strategies with the company's overall vision.
- Executed operational strategies that reflect eGuide's core values, promoting a hospitable, efficient, and accountable support structure.
- Identified opportunities for continuous improvement within operations, implementing innovative solutions through automation, workflow, and targeted training.
- Analyzed operational processes, pinpointed bottlenecks, and implemented streamlined workflows to enhance team performance and overall business outcomes.

CLIENT RELATIONSHIP ASSOCIATE (PRIVATE WEALTH MANAGEMENT)

May 2022 – Apr 2023

William Blair & Company, LLC

- Oversaw onboarding, cash management, account maintenance, and general operations for all clients.
- Acted as the first point of contact for clients and coordinated with financial advisors as needed.
- Updated and maintained CRM data inputs and team business expenses.
- Coordinated with internal groups to develop custom reports and streamline operational workflows.
- Assisted financial advisors with business development opportunities and coordinated compliance and marketing efforts for sales materials.
