

Junior Data Analyst

Leonel Gautier DJOUOKEP

Address: Lowell, Massachusetts

Phone: +1(440)-902-0129

Email: gautier.l.djouokep@gmail.com

LinkedIn: www.linkedin.com/in/leonel-djouokep-00707726b

Objective

Aspiring Data Analyst with hands-on experience in data cleaning, reporting, and using tools such as Excel, SQL, and Tableau. Seeking a Junior Data Analyst role to leverage analytical skills and deliver actionable insights to drive organizational success.

Education

Master of Science in Biostatistics and Bioinformatics

The University of Douala, Cameroon

Graduation Year: 2016

- Relevant Coursework: Biology, Genomic, Databases, Descriptive Statistics, Inference Statistics, Survival Analysis, Regression Analysis
- Tools Used: R, Excel, Python (intermediate), SQL

Bachelor of Science in Biostatistics and Bioinformatics

The University of Douala, Cameroon

Graduation Year: 2013

Skills

- Statistical Analysis: Linear & logistic regression, hypothesis testing, survival analysis
 - Software/Tools: R, Excel, Python, MySQL, Tableau, MATLAB, C++, JAVA, HTML
 - Data Handling: Data cleaning, descriptive analysis, data visualization
 - Languages: French (native), English (intermediate to advanced)
-

Academic Experience

I have gained strong academic experience applying statistical methods through coursework and academic projects:

- Simulated analysis of clinical trial data using R and MATLAB
 - Coursework in survival analysis and epidemiological modeling
 - Presentation on biostatistical models used in tropical disease research
 - Participate in database design
-

Professional Experience

Junior Data Analyst (Call Center Operations)

SFR Call Center Company, Cameroon

02/2021 – 06/2022

- Analyzed customer service and call performance data to identify trends, patterns, and areas for improvement.
- Designed and maintained interactive dashboards to track KPIs and support data-driven decision-making.
- Collaborated with team leaders and managers to optimize workflows and improve customer satisfaction.
- Utilized Excel to visualize call metrics and generate weekly reports.

Certifications

- Excel Fundamentals for Data Analysis
Macquarie University – Coursera
- Databases and SQL for Data Science with Python
IBM – Coursera
- Foundations: Data, Data, everywhere
Offered by Google – Coursera
- Python for Data Science, AI & Development
IBM – Coursera
- Python Basics
University of Michigan – Coursera
