Saint Anselm College

Integrated and Application of Business 105 – SWOT Analysis

- Chose an international company to research and provide analytics on their business using S.W.O.T analysis.
- Compiled and organized information into written reports and presentation slides, delivering clear and effective presentations to the class.
- Facilitated intercultural communication and collaboration among students, encouraging them to share their perspectives and learn from each other's experiences.

EXPERIENCE

Pier 37 Boathouse

Falmouth, MA

Manager (May 2022 - August 2024)

- Directed daily operations and managed shift scheduling of 20+ employees to ensure smooth service and efficient workflows.
- Developed and executed targeted marketing strategies, including social media campaigns and promotional events, using Canva to enhance brand visibility and increase sales.
- Handled administrative functions such as payroll processing, employee scheduling, and accurate record-keeping to maintain organized and efficient operations.
- Applied strategic leadership to identify and address operational challenges, improving policies, procedures, and internal controls for a more productive work environment.
- Resolved customer complaints with professionalism and efficiency, ensuring guest satisfaction and fostering a positive dining experience that encouraged repeat business.

Bartender (June 2020 - August 2024)

- Leveraged product knowledge and persuasive selling techniques to upsell premium cocktails and food pairings, consistently surpassing daily sales targets.
- Established and maintained positive relationships with customers, fostering a loyal customer base and enhancing overall guest satisfaction.
- Coordinated with team members and management to ensure efficient, high-quality service during peak business hours, helping maintain a fast-paced and productive environment.
- Trained and mentored new bartenders on customer service and sales techniques, contributing to a cohesive, high-performing team.

Waitress (June 2018 - August 2024)

- Educated and guided guests on menu selection, answering questions and making recommendations to individuals ensuring an exceptional customer experience.
- Consistently exceeded sales targets by promoting menu specials and upselling appetizers, desserts, and beverages, contributing to increased revenue.
- Managed 6-8 tables simultaneously, in fast-paced environment, without sacrificing service quality, accomplished by anticipating customer needs and through regular table check-ins, averaging \$4000+ in nightly sales.
- Facilitated amicable solutions with customers when restaurant errors would lead to customer dissatisfaction through communication with restaurant management.
