Professional Summary

Analytical and detail-oriented professional with 5+ years of experience in operational analysis, risk management, and data-driven problem solving. Proven success managing exception workflows, investigating discrepancies, and optimizing cross-functional processes. Skilled in SQL, Excel, Salesforce CRM, and process automation with a focus on improving accuracy, compliance, and customer experience.

Core Competencies

Operational Workflow & Data Management: Order-to-Cash processes, billing accuracy, contract validation, payment reconciliation

Data Analytics & Reporting: SQL (Snowflake), Excel, Looker, Tableau (familiar)

Systems & Tools: Salesforce CRM, FICO Falcon, RSA Monitoring, Microsoft Office Suite

Problem Solving & Process Improvement: Root cause analysis, automation, quality assurance

Collaboration & Communication: Cross-functional teamwork, change management, customer relations

Professional Experience

Product Risk Specialist II

CarGurus – Cambridge, MA | Sept 2020 – Present

- Manage daily data workflows and exception handling activities to ensure compliance and system accuracy across U.S. and U.K. markets.
- Build and maintain dashboards (Looker, SQL) for reporting on operational metrics, customer trends, and issue resolution performance.
- Queried data using SQL to pull insights for stakeholders and cross-functional teams for meetings and presentations.
- Investigate workflow discrepancies and recommend process improvements to enhance efficiency and reduce risk exposure.
- Collaborate with product, engineering, and legal teams to design and test process enhancements and automation tools.
- Utilize Salesforce CRM to track and manage workflow cases, streamline reporting, and support business continuity.

Senior Fraud Analyst

Citizens Bank – Medford, MA | Sept 2018 – Sept 2020

- Executed detailed analyses of financial data to detect anomalies, resolve discrepancies, and ensure regulatory compliance.
- Processed and reconciled customer transactions, ensuring timely and accurate posting and reporting.
- Partnered with investigators, IT, and operations teams to enhance fraud detection models and improve process controls.
- Delivered exceptional customer support by addressing inquiries promptly and ensuring issue resolution aligned with compliance standards.

Security Officer

G4S – Cambridge, MA | Dec 2015 – Apr 2019

- Managed incident reporting and ensured compliance with operational procedures.
- Supported coordination between internal and external stakeholders during critical situations.

Transitional Coordinator

Eliot Human Services – Saugus, MA | Mar 2015 – Dec 2017

- Oversaw client data management, compliance tracking, and service documentation.
- Collaborated with external partners to ensure adherence to operational and legal standards.
