Franklin, TN | (714) 905-4266 | mmosse21@live.com | [linkedin.com/in/michael-mossett](https://www.linkedin.com/in/michael-mossett)

PROFESSIONAL SUMMARY

Technical Product Owner and Business Analyst with 8+ years of experience defining product requirements, managing backlogs, and driving delivery of enterprise-scale software platforms. Skilled in Agile methodologies, cross-functional team leadership, and translating complex technical needs into actionable solutions. Proven ability to align product vision with stakeholder strategy, integrate new solutions within legacy frameworks, and deliver high-value features that improve efficiency, scalability, and user experience. Adept at collaborating with engineering teams, studios, and executives to ensure product releases meet market and customer needs.
