

MIRABELLA JORDAN MIRANDA

Clinical Research & Applied Science Professional

Clinical Trials | GCP | Translational Research | Human Subjects | Quality Control | Regulatory Compliance

Florida | Open to Relocation

(407) 948-1725 | mirabellamiranda@gmail.com | [linkedin.com/in/mirabella-miranda](https://www.linkedin.com/in/mirabella-miranda)

CORE COMPETENCIES

- Clinical Trial Coordination
- Human Subjects Research (ICH-GCP)
- Regulatory Documentation & IRB Submissions
- Applied Physiology & Clinical Testing
- Data Quality & Compliance
- Patient Recruitment & Study Visits

EDUCATION

Bachelor of Science - Applied Physiology and Kinesiology

University of Florida | Gainesville, FL | August 2024

Post-Baccalaureate Coursework - Biochemistry and Physics

Santa Fe College | December 2024

CERTIFICATIONS AND TRAININGS

- ICH-GCP E6 (R3) | Good Clinical Practice
- Human Subject Protection | Clinical Trial Monitoring
- HIPAA Compliance
- Advanced Life Support: Advanced EKG | Basic Life Support, CPR, AED
- IATA: Transport of Dangerous Goods | Biohazardous Waste | Bloodborne Pathogens
- IV Therapy & Phlebotomy
- Pharmacy Technician CVS Rx Program

CLINICAL RESEARCH COORDINATOR I AND II EXPERIENCE

Nova Clinical Research, LLC | Bradenton, FL | September 2025 - Present

Integrative Cardiovascular Physiology Lab at UF | Gainesville, FL | September 2024 - June 2025

- Coordinate FDA-regulated clinical trials: device, investigational drug, and vaccine studies
- Manage regulatory documentation: 1572s, financial disclosures, ICFs, and protocol amendments
- Conduct participant screening, informed consent, study visits, phlebotomy, vitals, and EKGs
- Maintain investigational product accountability, storage, and transport per IATA standards
- Support monitoring visits, query resolution, and data quality assurance
- Collaborate with PIs, sponsors, CROs, and study staff to ensure protocol compliance

- Supported translational research in applied physiology/neuroscience/cardiovascular science
- Collected and analyzed physiological and clinical data from human subjects
- Performed functional and clinical assessments: VO₂max testing, 6-minute walk test, EKGs

RESEARCH ASSISTANT / DATA ANALYSES EXPERIENCE

Chill Cryosauna | Orlando, FL | October 2023 - September 2024

Alviña Neuroscience Lab at the McKnight Brain Institute | Gainesville, FL | November 2023 - August 2024

- Compiled and systematized data on glucose levels, blood pressure, and mood in human subjects
- Experimented with control and variable mice to investigate mood disorders and degenerative disease progression in response to biological factors, as well as external stimuli (light detection)
- Operated a cryostat and performed PCR for genetic analyses (mice studies)
- Participated in educational meetings and trainings (electrophysiology, neurochemistry, autoclaving)

MEDICAL ASSISTANT AND CLINICAL EXPERIENCE

North Florida Integrative Medicine | Gainesville, FL | May 2024 - August 2024

Ageless Medical Solutions | Gainesville, FL | May 2024 - August 2024

Cardiopulmonary Rehabilitation Clinic | Gainesville, FL | May - August 2023

- Performed clinical procedures: phlebotomy, injections, vitals, urinalysis, and patient intake
- Assisted providers with examinations, charting, and documentation
- Maintained compliance with HIPAA, infection control, and safety protocols
- Supported patient education and follow-up in-house and remotely for concierge patients
- Familiarized patients with custom equipment and recovery programs following cardiac events
- Monitored patient progression across cardiopulmonary therapy
- Compiled and systematized data on glucose levels, blood pressure, and medication adherence

TECHNICAL & CLINICAL SKILLS

Clinical Research

- Study coordination, informed consent, CRFs
- Regulatory binders, monitoring support
- Device, drug, vaccine, and exercise trials
- Applied Physiology & Clinical Testing
- VO₂max, 6-minute walk test, DEXA calibration
- Cardiovascular and functional fitness assessments

Clinical Procedures

- Phlebotomy, IV therapy, injections
- Vitals, EKGs, specimen processing

Systems & Technology

- Epic, eClinicalWorks, Practice Fusion, RxConnect
- Microsoft Office, Google Workspace
