

PURVA VASWANI

Santa Ana, CA 92701 | +1 (657) 456-4029 | purvasvaswani24@gmail.com | LinkedIn: Purva Vaswani

EDUCATION

University of Illinois Urbana Champaign, Champaign, IL | *MS – Business Analytics (CGPA: 3.74)* 08/2023-05/2024
University of Edinburgh, Edinburgh, UK | *MSc – International Business & Emerging Markets* 09/2019-10/2020
RGPV, INDORE, INDIA | *BE – Electronics & Communication Engineering* 08/2013-06/2017

WORK EXPERIENCE

Vista Research | *Senior Data Analyst* 09/2024-Present

- Developed A/B testing frameworks to analyze survey response behavior to optimize fraud detection algorithms by 24%
- Performed in-depth exploratory data analysis (EDA) to uncover key response patterns and biases, improving data accuracy
- Designed interactive dashboards with Streamlit & Tableau, reducing manual data processing time by 30%
- Automated survey response tracking using API integration to provide real-time insights, improving reporting efficiency

Graybar | Chicago, Illinois, United States | *Business Data Analyst Lead* 09/2023-05/2024

- Translated large datasets into actionable customer insights, enhancing sales strategy & forecasting
- Led development of predictive models using Catboost (90% accuracy) to automate approvals & reduce stock misallocation
- Applied statistical techniques (Pearson Correlation, ANOVA, Lasso) to identify key predictors of inventory demand
- Designed Power BI & Tableau dashboards, improving visibility into sales trends and customer demand by 30%
- Automated data pipelines using AWS, optimizing data ingestion, transformation, and reporting for scalability and efficiency

Johnson Matthey | Royston, United Kingdom | *Business Analyst* 02/2021-03/2023

- Collected & analyzed data from cross-functional teams using SQL & Tableau, delivering insights to senior leadership
- Developed market intelligence dashboards, tracking sales performance & competitor trends to drive strategy
- Conducted trend analysis & customer behavior research, improving demand forecasting accuracy by 10%
- Led quarterly market share analyses, tracking KPIs & a consistent 3.5% q-o-q growth in the global CA segment
- Managed relationships with 3rd-party research providers, overseeing market data acquisition & strategic insights
- Collaborated with leadership to refine marketing strategies, enhancing competitive positioning in the global market

Future Market Insights | Pune, India | *Associate Consultant* 06/2017-07/2018

- Conducted market sizing & forecasting using Microsoft Excel models, tailoring insights to client needs
- Utilized statistical analysis & market research to identify new growth channels & refine market strategies
- Drove a 2.3% quarterly revenue growth by tracking sales & analyzing competitive landscapes

DATA PROJECTS & RESEARCH WORK

Implementation of Spotify Recommender System through Big Data Infrastructure 04/2024

- Designed & implemented scalable big data infrastructure with AWS EC2, S3, & PySpark to improve the recommender system
- Enabled real-time customized recommendations leveraging Matplotlib/Seaborn for analytics & visualization

Big Data & Cloud Migration 03/2024

- Led cloud migration & real-time bus tracker implementation with AWS resulting in a 20% increase in operational efficiency
- Executed a Hadoop (HDFS, Hive, HQL) migration for a ML startup on GCP(Dataproc), enhancing data processing scalability

ILLINOIS BUSINESS CONSULTING | *Consultant* 09/2023-12/2023

- Developed marketing strategy for HR Consulting, focusing on client acquisition & MBE/WBE integration

SKILLS

PROGRAMMING LANGUAGES: R (ggplot2, dplyr), SQL, Python (Numpy, Pandas, Seaborn), C/C++, MATLAB

DATA ANALYSIS & VISUALIZATION TOOLS: Tableau, Power BI, MS Excel (Advanced), SAS, Knime, Google Analytics, SPSS, Mathematica

CLOUD COMPUTING & BIG DATA TECH: AWS (S3, EC2, Redshift, Glue, Athena, RDS), Google Cloud Platform (Hadoop, MapReduce, Spark, HBase, HDFS, Hive, Apache), PySpark, Mongo DB, GIT version control

ANALYSIS SKILLS: Data Analysis, Market Sizing, Market Opportunity Analysis, Forecasting, Consumer Behavior Analysis, Competition Mapping, Strategy Building, Quantitative & Qualitative Analysis, Financial Modeling, Marketing, S&OP Planning

CERTIFICATIONS

DataCamp – Intermediate SQL, Understanding Machine Learning, Introduction to Python, CI/CD for Machine Learning

University of Illinois – Inferential & Predictive Statistics, Exploring & Producing Data, ETL in Python & SQL

Google – Google Data Analytics Professional Certificate (Advanced Excel, R, Tableau, SQL)

Google – Advanced Google Analytics, Introduction to LLMs & Generative AI, AI Powered Performance Ads

LEADERSHIP ACTIVITIES

University of Illinois Urbana Champaign – MSBA Student Leadership Council

University of Edinburgh – Student Ambassador/ Edinburgh Award for Professional development/ Project Manager (Non- Profit)
