PROFESSIONAL EXPERIENCE

Business & Market Research Analyst Intern

Sunteck Realty Ltd. | Mumbai, India | May 2023 - Sep 2023

- Conducted market and competitor analysis to evaluate pricing strategy, demand patterns, and market positioning for sales leadership.
- Analyzed CRM data covering **3,500+ prospects**, identifying engagement trends and supporting sales prioritization decisions.
- Partnered with **150+ channel partners** to gather market feedback and strengthen regional outreach strategy.
- Prepared structured reports on customer engagement trends and pipeline performance to support sales and follow-up decisions.

Business Strategy and Analytics Intern

Nishkaera Financial Advisory & Wealth Management | Mumbai, India | Oct 2021 – Jul 2022

- Conducted industry and competitor analysis to support strategic planning discussions and business development initiatives.
- Synthesized market research into structured presentations used by leadership for client discussions and partnership evaluation.
- Supported partnership coordination with financial institutions and assisted with internal hiring and operational activities.

Operations and Outreach Intern

Vividhataa - Diversity Hiring Consultants | Mumbai, Bangalore and Pune, India | Jun 2021 - Sep 2021

- Coordinated logistics and communication for large-scale diversity job fairs across multiple cities.
- Managed candidate outreach data and supported tracking of participation metrics across events.
- Developed promotional materials and communication content supporting event visibility and engagement.

ACADEMIC PROJECTS

Franklin Sports (Hockey Division) - Inventory & Demand Planning | Python, SQL, Pandas, Streamlit

- Analyzed demand forecasts, inventory levels & lead-time data across **187 SKUs** to identify stockout risk and operational inefficiencies.
- Developed a probabilistic Weeks-of-Stock model (P70/P80/P90) to evaluate replenishment scenarios and inform planning decisions.
- Built an interactive Streamlit dashboard simulating 9 inventory scenarios, supporting operational planning and inventory decisions.

NYC Taxi Data Storytelling - Python, SQL, Tableau | Spring 2025

- Analyzed **50M+ taxi trip records** to identify demand patterns and pricing trends across time-of-day and borough segments.
- Developed interactive **Tableau dashboards** to visualize trip volume, fare dynamics, and operational patterns across different time periods.
- Synthesized findings into insights highlighting demand surges and mobility trends to support data-driven operational decisions.

Marketing Analytics – Buyer Behavior Analysis - Python, Pandas | Spring 2025

- Analyzed consumer behavior data to understand how content type, product category, and platform influence purchasing decisions.
- Segmented customers into impulse and planned buyers to identify opportunities for improved marketing targeting.

ACHIEVEMENTS

- Vice President – People Management, AIESEC NMIMS:** Led recruitment and onboarding for 50+ members, developing leadership & communication skills.
- Global Volunteer, Vietnam:** Taught English to local students and represented India at an international cultural exchange event.
