To whom it may concern,

I am writing to you regarding Jatin Patel. I have known Jatin personally and for over ten years and professionally for over two years. Jatin have two years of experience in Quality Assurance Analyst role with manual testing skills. I have always known him to be a hard-working individual who knows how to get the job done quickly and effectively. He works well as a part of a team and can function as a leader when required.

I believe that his skills and experience make him an excellent candidate for the position in your organization.

Sincerely,

MSAIJA

To whomever it may concern

Hi,

As part of my professional and personal ventures, I happened to associate with Jatin Patel and was impressed with his learnability and knowledge. He has knowledge of manual testing experience with automation skills and domain knowledge.

Being a positive team player and having good communication skills,
Jatin should be a good asset to any project or team.

Sincerely,

Tony Puthenveetil
