(210) 723-2600 | sudhirsarohaus@gmail.com | linkedin.com/in/sudhir-saroha-a013b0381

PROFESSIONAL SUMMARY

Detail-oriented Data Entry Specialist with 2 years of experience managing high-volume datasets with 99%+ accuracy. Proven expertise in data validation, quality control, and process optimization. Proficient in Excel (Pivot Tables, VLOOKUP, advanced formulas), SQL Server, and data visualization tools. Skilled at identifying data discrepancies, streamlining workflows, and maintaining database integrity. Strong communicator committed to delivering error-free results under tight deadlines.

CORE COMPETENCIES

- **Data Management:** High-volume data entry, data validation, quality assurance, database maintenance
- **Technical Skills:** Microsoft Excel (Pivot Tables, VLOOKUP, INDEX-MATCH, Charts), SQL Server, Power BI, Tableau
- **Analytical Tools:** Python (Pandas, NumPy), data cleaning, trend analysis, report generation
- **Process Improvement:** Workflow optimization, accuracy auditing, documentation, SOP development
- **Soft Skills:** Attention to detail, time management, problem-solving, team collaboration, adaptability

PROFESSIONAL EXPERIENCE

Data Entry Operator

June 2021 – February 2023

Secure Shield Security Services Private Limited, India

- Processed 500+ records daily with 99.8% accuracy, maintaining strict quality standards for critical security data
- Validated and cleaned datasets of 10,000+ entries monthly, identifying and correcting inconsistencies to ensure database integrity
- Developed Excel templates with automated formulas and conditional formatting, reducing data entry time by 25%
- Collaborated with cross-functional teams to standardize data collection procedures, improving consistency across departments
- Generated weekly reports using Pivot Tables and charts to track operational metrics and support management decisions
- Maintained confidential employee and client records in compliance with data security protocols
- Trained 3 new team members on data entry best practices, quality control procedures, and company software systems
- Implemented quality checks that reduced error rates by 15%, saving 10+ hours of rework per month

EDUCATION

Master of Arts in English Language and Literature

May 2020 – March 2022

Swami Vivekanand Subharti University (SVSU), Meerut, India

Bachelor of Science in Computer Science

Maharshi Dayanand University (MDU), Rohtak, India

TECHNICAL PROFICIENCIES

Software & Tools: Microsoft Excel (Advanced), Microsoft SQL Server, Power BI, Tableau, Microsoft Office Suite

Programming: Python (Pandas, NumPy), SQL (queries, joins, data manipulation)

Data Skills: Data entry, data validation, data cleaning, database management, report generation, data visualization

KEY ACHIEVEMENTS

- Achieved 99.8% accuracy rate across 1.5 years of high-volume data entry operations
- Reduced data processing time by 25% through Excel automation and template optimization
- Successfully managed datasets exceeding 10,000 entries monthly with zero critical errors
- Recognized for exceptional attention to detail and consistent delivery of error-free work
