

Nick Williams

Software Engineer

316 6th Ave, Clarence, USA 52216 • 563-499-4049 • njw23456@gmail.com • github.com/njw234

Professional Summary

Motivated and disciplined software engineer with a strong foundation in UI/UX for games and educational software. Experienced in designing accessible, intuitive player interfaces and onboarding that improve comprehension and engagement. Brings over 10 years of leadership and customer-facing experience with a focus on collaboration, iteration, and data-informed design.

Employment History

UI/UX Intern – Agents of Influence Project

Alterea, Inc. (Remote) • September 2025 – Present

- Designed interactive UI layouts in Figma for the educational game Agents of Influence, optimizing clarity and player engagement.
- Built onboarding and tutorial flows for teachers and students (quick-start guides, contextual tips, and walkthroughs) to reduce time to competence.
- Ran playtests and synthesized feedback to iterate on menus, dialogue boxes, and HUD overlays for usability and comprehension.
- Prepared production-ready UI assets and handoff specifications for implementation in Pygame and an internal engine.
- Applied accessibility and brand standards (typography, spacing, contrast) to ensure consistency and inclusivity.

Food and Consumables Team Lead

Walmart, Tipton, IA • March 2019 – Present

- Lead a team of 5 associates; delegated tasks, coached performance, and maintained high inventory accuracy.
- Resolved customer issues promptly and improved department efficiency and presentation.
- Contributed to store 0841 achieving highest performing Division 1 store in 2021.
- Used sales metrics to inform product placement and promotional decisions.

Electronics Sales Associate

Walmart, Tipton, IA • May 2014 – March 2019

- Delivered technical support and product demonstrations that drove sales and customer satisfaction.
- Assisted with promotional displays and informed stock decisions using sales data.
- Built strong product knowledge and rapport with customers.

Education

Bachelor's Degree in Computer Science

Southern New Hampshire University, Manchester, NH • August 2023 – Present • Current GPA: 3.9
