Professional Experience

CEMEX – Houston, TX

Client Support & Digital Solutions Advisor (CEMEX Go) | May 2023 – Present

- Ensures the smooth operation of the backend systems that power our internal visual storefront, supporting internal users with its functionality.
- Gather user feedback, document feature requests, and refine functional requirements for technical handoff.
- Facilitate cross-functional meetings between customer service, IT, and logistics teams to troubleshoot workflows.
- Coordinate sprint activities, backlog grooming, and post-release support with Product Owners and Scrum teams.
- Collaborate with offshore developers and QA to manage release timelines and ensure effective communication.
- Develop knowledge base articles, user guides, and SOPs to enhance self-service capabilities for internal and external users.
- Create and deliver tailored training materials to enhance user adoption and engagement.
- Track metrics like portal usage, ticket volume trends, and user satisfaction to inform roadmap decisions.

Riverway – Client: CEMEX – Houston, TX

Customer Experience & Data Processing Professional | Sep 2022 – May 2023

- Created project trackers, templates, and workflow maps to streamline communication across support teams.
- Conducted comparative analysis of customer usage patterns and proposed dashboard enhancements for better data visibility.
- Delivered executive-level summaries based on data extracted from SAP, Excel pivot tables, and internal logs.
- Developed process documentation that served as onboarding material for new hires.
- Managed Jira tickets for support escalations and tracked SLAs to ensure timely resolution of customer issues.
- Acted as a key liaison between field reps and internal IT during data migration and product updates.

Gulbaug – Houston, TX

Founder & Owner (Part-Time) | Sep 2021 – May 2023

- Launched and managed a small product-based business, with experience in streamlining operations, coordinating with vendors, and supporting customer engagement. Oversaw inventory, pricing, and campaign performance while developing transferable skills in organization, communication, and process improvement.

Prior Experience

MaFoi Randstad – Client: IndoStar Capital Finance – Mumbai, India

Client Services & Admin Coordinator | 2012 – 2013

- Streamlined client onboarding and documentation workflows while coordinating cross-team communication and executive support, ensuring operational efficiency and compliance with internal protocols.

Airline Customer Service & Inflight Experience – Jet Airways | Qatar Airways

International Flight Attendant | 2007 – 2011

- Provided exceptional customer service and ensured passenger safety on international flights, leveraging strong problem-solving, teamwork, and training in emergency protocols to support high standards of service and cross-cultural collaboration.

Promotional Sales Events – Mumbai, India

Brand Ambassador & Sales Associate | 2004 – 2007

- Assisted in gathering customer feedback to refine marketing strategies and improve sales processes.
