

VINITHA KASARLA

Senior QA Automation Engineer | Salesforce QA | Selenium

Email: kasarla.vinitha.reddy@gmail.com

Phone: 2107993233

Professional Summary

QA Automation Engineer with 13+ years of experience in Automation Testing, Selenium WebDriver, Java, TestNG, Cucumber, API Testing, SQL, Salesforce Testing, and Agile methodologies. Proven success delivering automation frameworks for Banking, Telecom, and Healthcare clients. Experienced in CI/CD using Jenkins, Git, and Maven, with strong expertise in Salesforce Sales Cloud and Service Cloud testing.

Professional Experience

Accenture, Dallas, TX, USA | Quality Engineering Specialist | Nov 2022 – Till Date

- Designed and implemented scalable automation frameworks using Selenium, Java and TestNG, increasing automated test coverage from **35% to 85%** across critical Salesforce modules.
- Reduced manual regression testing effort by **40%**, saving approximately **20+ testing hours per release cycle** through Salesforce test automation.
- Developed and executed **500+ automated test scripts** covering UI, API, integration, regression, and cross-browser testing, improving release quality and test reliability.
- Performed SQL validation and backend testing, identifying and resolving **95% of data integrity issues** before production deployment.
- Collaborated with Agile teams in sprint planning, daily standups, and retrospectives, contributing to **on-time delivery of 15+ major releases**.

Accenture, Hyderabad, Telangana, India | Quality Engineering Specialist | Oct 2021 – June 2022

- Designed and executed **200+ manual test cases** for Salesforce application, achieving **95%+ functional coverage**.

Infosys, Hyderabad, Telangana, India | Senior Associate Consultant | Jun 2020 – Oct 2021

- Automated **300+ regression test cases** using Selenium WebDriver, Java, and Cucumber BDD, reducing manual regression testing effort by **50%** and improving test execution efficiency.
- Managed the complete defect lifecycle using Jira, logging, tracking, and validating **200+ defects** with developers and business stakeholders.

Cap Gemini, Hyderabad, Telangana, India | Senior Analyst | Jun 2016 – Mar 2020

- Developed and maintained Selenium WebDriver automation frameworks using Java and TestNG, automating **400+ functional and regression test scenarios**.
- Executed and optimized Salesforce regression test suites, reducing regression testing time by **45%** and supporting the successful delivery of high-quality releases..
- Integrated automated test execution with Jenkins CI/CD pipelines, enabling continuous testing and reducing validation time by **60%**.
- Conducted defect analysis, root-cause investigation, reporting, and release certification, contributing to a **30% reduction in production defects**.

Accenture, Hyderabad, Telangana, India | Associate Software Engineer | Aug 2012 – Jun 2016

- Designed and executed **600+ manual and automated test cases** for Salesforce applications, achieving **90%+ functional coverage**.
- Performed API, database, UAT, regression, smoke, and functional testing, identifying **250+ defects** and reducing production issues by **35%**.
- Validated backend data through SQL testing, ensuring **98% data integrity** across Salesforce integrations.
- Maintained and enhanced Selenium automation regression suites by debugging and resolving automation defects, improving test reliability and reducing maintenance efforts.

Core Skills

Automation: Selenium WebDriver, TestNG, Cucumber, BDD, POM

Programming: Core Java, JavaScript, SQL

API Testing: Postman, REST Assured, SoapUI

CI/CD & Tools: Jenkins, Git, Maven, Gradle, Jira, Rally, ALM, Eclipse, IntelliJ

Databases: Oracle, MySQL, SQL Server

Cloud: AWS

Methodologies: Agile, Scrum, SDLC, STLC, Waterfall

Domain Expertise: Banking, Healthcare, Telecom, Salesforce CRM

Certifications

- Salesforce Certified Administrator
- Salesforce Certified AI Associate
- AWS Certified Solutions Architect – Professional
- Infosys Certified Java Programmer
- Infosys Certified Selenium Advanced Tester

Education

Bachelor of Technology (Information Technology)
Jawaharlal Nehru Technological University
