WORK EXPERIENCE

25sprout

Taipei, Taiwan

Customer Success Manager - SurveyCake

Nov., 2021 - Apr., 2023

- Consulted for 120+ B2B corporations (e.g. IBM, Audi, McDonald's), providing questionnaire data summary reports with Excel PivotTable, VLOOKUP and actionable strategies, resulting in 4.8-star customer satisfaction.
- Increased customer satisfaction rate up to 35% and maintained a 92% client retention rate by customizing on-site product implementation training, conducting regular site visits, and providing resolution of technical issues via online troubleshooting.
- Planned product release roadmap with PM team by gathering clients' feedback through regular meetings, adopting it to optimize product function, and prioritize feature development.

Taipei Base Design Center

Taipei, Taiwan

Project Manager & Business Development Specialist

Jul., 2020 - Apr., 2021

- Established 5 B2B global award projects from scratch, including designing pricing strategy, campaign execution, brand promotion, web design, and function planning.
- Accomplished 200% growth in ADP membership by analyzing customer behavior and executing 2020 ADP Online Tour, with close to 200 designers attending from over 10 countries.
- Enhanced brand awareness and decreased website bounce rate of ADP by 7% via EDM operation, web optimization, and traffic tracking by Google Analytics.

Kdan Mobile

Tainan, Taiwan

Customer Service & Marketing Intern

Oct., 2019 - Mar., 2020

- Increased customer satisfaction by 13% through the analysis of user data from PDF Reader using Excel, discovering insights and optimizing Customer Service resources.
