

HARSHAVARDHAN REDDY JAKKIDI

New Haven, CT, USA | +1 (203) 397-6119 | harshavardhan@aogjob.com

SUMMARY

Results-driven Business Analyst with 4+ years of experience in healthcare, digital marketing, and IT sectors, proficient in leveraging data analysis, visualization, and Agile methodologies to deliver actionable business insights and improve project efficiency. Adept at developing performance dashboards using tools like Tableau, Power BI, and QlikView, and skilled in SQL, Python, and Excel for comprehensive reporting. Strong background in requirement gathering, stakeholder collaboration, and process optimization, with proven success in driving data-driven decisions, enhancing cross-team collaboration, and increasing operational efficiency. Experienced in SAP-ERP, cloud platforms, and CRM systems with a focus on continuous improvement and strategic business outcomes.

EDUCATION

Master of Science in Computer Information Systems,
Rivier University, Nashua, NH, USA

Dec 2023

PROFESSIONAL EXPERIENCE

Walgreens, USA | Business Analyst

Sep 2023 - Current

- Developed and designed healthcare performance indicator visualizations using Tableau and QlikView, enhancing reporting processes with MS Excel and SQL queries. Implemented changes for improved reporting and efficiency, supporting management and clients with detailed business reports and dashboards.
- Spearheaded Agile ceremonies, including daily scrums, sprint planning, and retrospectives, driving efficient project delivery and streamlining workflows. Led initiatives that increased project efficiency by 20%, reduced bottlenecks, and enhanced cross-team collaboration within healthcare initiatives.
- Transformed large data sets through data wrangling, exploratory data analysis, and predictive modeling. Leveraged Power BI and other data visualization tools to build and maintain custom reports and dashboards, revealing trends and correlations in large data sets. Proficient in Excel, SQL, Python, and other data analysis tools and techniques.

Sigma Info Solutions, Bangalore, India | Business Analyst

Dec 2019 - Nov 2021

- Developed and executed over 100 digital marketing strategies, achieving a 35% increase in client engagement and a 25% rise in conversion rates, utilizing tools such as Hootsuite, Moz, and Trello.
- Conducted in-depth requirement analysis for over 50 clients, resulting in clear documentation of business objectives and digital marketing needs using Microsoft Teams, Word, and JIRA.
- Performed comprehensive market research and competitor analysis using Google Analytics, SEMrush, and SurveyMonkey, providing actionable insights and driving strategic decisions.
- Transformed large data sets through data wrangling, exploratory data analysis, and predictive modeling, leveraging tools like Power BI and Tableau to build and maintain custom reports and dashboards.
- Collaborated with stakeholders to gather, analyze, and document business requirements, developed detailed business reports and presentations, and supported continuous improvement initiatives, demonstrating strong communication and interpersonal skills.

Version 1, Bangalore, India | Business Analyst

Dec 2018 - Nov 2019

- Improved business efficiency by 5% by identifying, developing, and implementing agile methodologies, streamlining processes, and fostering a more responsive work environment.
- Designed and presented a comprehensive 30-interactive Power BI dashboard, significantly enhancing data accessibility and comprehension by 30%. Engaged with stakeholders to ensure alignment and drive informed business decisions.
- Led SAP-ERP implementations and standardized item codification, resulting in a 7% reduction in downtime and improved Product Lifecycle Management. Utilized SQL queries to transform relational data for comprehensive monthly, quarterly, and annual reporting, consistently meeting reporting requirements with 100% positive feedback from stakeholders.
