EXPERIENCE

Stonesbridge Software Solutions Inc| Irving,TX - Junior Business Analyst

01/2022- Present

Assist in the creation of detailed reports and presentations based on data analysis. Collaborate with stakeholders to understand their needs and document detailed business requirements.

Create and maintain comprehensive documentation of business requirements, processes and data findings. Prepare business cases, functional specifications and user manuals. Assist in mapping current business processes and identifying areas for improvement. Suggest process optimization strategies to enhance efficiency and effectiveness. Assist in the implementation of new systems or processes. Participate in testing and validation to ensure solutions meet business requirements. Collaborate with IT teams to ensure technical solutions align with business needs. Create visual reports and dashboards to present data findings to management. Participate in testing new software applications to ensure they meet business needs.

EECU Credit Union, Hurst, TX — Financial Consultant

06/2022 - 06/2024

Provide comprehensive financial advice to clients, including investment strategies, retirement planning, and debt management.

Develop and maintain strong client relationships through regular communication and personalized financial solutions.

Analyze financial data and market trends to make informed recommendations tailored to each client's unique goals and risk tolerance.

Walmart, Arlington, TX— Cashier Customer Service

07/2017 - 05/2022

Provided friendly and efficient customer service at checkout, handling transactions accurately and resolving customer issues promptly.

Operated cash registers and processed payments, including cash, credit cards, and electronic payments.

Assisted with inventory management, restocking shelves, and maintaining store cleanliness.

Career Summary

Dedicated and results-driven Junior Business Analyst with 2 years of experience in analyzing business processes, identifying opportunities for improvement, and delivering actionable insights to enhance operational efficiency. Leveraging a robust background of 7 years in customer service, I excel at understanding client needs, driving customer-centric solutions, and building strong relationships. Proven ability to translate complex data into clear, strategic recommendations that support business objectives. Adept at collaborating with cross-functional teams, managing multiple projects, and maintaining a focus on continuous improvement. I am excited about the opportunity to leverage my skills and experience to support decision-making, policy formation, and strategic planning as an entry-level business analyst at your organization.

Dillard's Inc., Arlington, TX— Sales Associate

11/2020 – 09/2021

Assisted customers with product selection, inquiries, and purchases, resulting in increased sales and customer satisfaction. Maintained a clean and organized sales floor, ensuring a pleasant shopping experience for customers. Collaborated with team members to achieve sales targets and meet store objectives.
