EXPERIENCE

UPMC Memorial, Price Estimate Analyst
York, PA
November 2024 – Present

Create accurate and timely patient price estimates by analyzing insurance benefits, fee schedules, and historical data to determine patient liability. Communicate cost estimates clearly and professionally to patients, helping them make informed financial decisions about their care. Collaborate with physician offices, internal departments, and insurance providers to verify benefits and clarify incomplete estimate requests. Utilize price estimation software and payer portals to confirm eligibility and coverage details. Maintain productivity and compliance standards while ensuring a high level of customer service and patient confidentiality. Provide regular reports and summaries to management on estimated volume, accuracy, and operational performance. Adhere to UPMC's core values, including excellence, integrity, and patient-centered care in all interactions.
