Procurement expert is skilled in building first-of-its-kind supply chain solutions that improve operations and slash millions in costs while helping to unlock and seize new revenue opportunities.

Signature Strengths:

Supply Chain Procedures • Operational Restructuring • Logistics Planning & Management • Materials Planning & Movement
• Business Strategy & Development • Strategic Planning & Tactical Execution • Cost Productivity & Retention • Inventory Control
Process • Quality Assurance & Control • Contract Negotiation & Management • Team Building, Leadership & Coaching

PROFESSIONAL EXPERIENCE

DRIVING FORWARD (NIKE) | CHICAGO, IL

JAN 2023 – MAR 2023

Consulting Intern

Overview: Handpicked to offer insights with third-party payer contract negotiations and maintain compliance and current knowledge of all applicable Federal and State laws and regulations regarding mobile Cardiac PET IDTF units. Strengthened core consulting skills through hands-on case study analysis with industry professionals. **Selected Career Benchmarks:**

- Achieved measurable outcomes by supporting the development of a long-term strategy to drive hands-free recycling, conversion of used products to new materials, and adapting leather alternatives which as proposed would decrease carbon emissions by 14%.
- Handpicked based on stellar reputation to conduct SWOT analysis on sustainability practices at NIKE, focusing their push to become a carbon-neutral sustainable organization.
- Demonstrated solid leadership by spearheading the development of a short-term strategy outlining actionable steps for leveraging NIKE's existing supply chain to develop a touch point that would accept old shoes/materials to reduce waste going to landfills by 24%.

JET BRITE CAR WASH | CAROL STREAM, IL

JAN 2023 – MAR 2024

Car Care Associate

Overview: Operated point-of-sale (POS) systems with accuracy and efficiency in both roles, adeptly processing transactions, handling cash, and providing receipts in strict adherence to company policies. Cultivated strong relationships with customers, and provided comprehensive, professional service.

Selected Career Benchmarks:

- Liaised with team members at Jet Brite Car Wash to maintain a clean and organized sales environment, contributing to a visually appealing and customer-friendly atmosphere.
- Displayed exceptional customer service skills, ensuring a positive and memorable experience for clients while addressing inquiries, resolving concerns, and upselling additional services to enhance customer satisfaction.
- Seized all opportunities as a Sales Associate at Jet Brite Car Wash, exceeding sales targets by 12% and contributing to the overall revenue growth of the business.
