Professional Experience

Function Health – Remote

Operations Administrator | Dec 2023 – Present

- Lead and mentor a team of Member Success Associates, enhancing performance, engagement, and development.
- Map customer journeys, using analytics to identify pain points and improve satisfaction (CSAT & SLA metrics).
- Collaborate cross-functionally with leadership, product, and sales to align strategies and drive initiatives.
- Handle escalations and resolve 100+ daily inquiries, ensuring compliance with HR policies and labor laws.
- Implement continuous improvement initiatives, reducing churn risks and boosting customer loyalty.

Nomad Health – Remote

Operations Administrator | Mar 2022 – Sep 2023

- Served as HR liaison for 70+ clinicians, managing contracts, compensation, and travel assignments.
- Designed and distributed internal communications, boosting engagement with OKRs and business updates.
- Partnered with IT to improve mobile app usability through data-driven recommendations.
- Led creation of an internal knowledge base with SOPs and visual aids to streamline operations.
- Supported executives with calendar management, travel coordination, and meeting preparation.

Randstad USA – Newark, NJ

HR Site Manager (Promoted from Site Coordinator) | Nov 2020 – Mar 2022

- Directed HR operations for 200+ employees, covering hiring, onboarding, payroll, and employee relations.
- Achieved a 90% staffing fulfillment rate in a high-volume manufacturing center.
- Increased applicant pools by 15% in 12 months through updated job descriptions and social media outreach.

- Compiled personnel reports, conducted exit interviews, and analyzed recruiting metrics for process improvement.

Education

Kean University – Union, NJ

B.A. in Business Management | May 2018
