

Nita Gare

Troy, MI, United States

+1 989 493 8312 • nita.gare@gmail.com • in nita-gare

Professional Summary

Data Analyst with a strong foundation in **Power BI**, **SQL**, and **Python**, specializing in transforming healthcare data into actionable insights. Experienced in developing interactive dashboards, performing exploratory data analysis, and collaborating across teams to support data-driven decision-making.

Experience

Numpy Ninja (Non-Profit, Remote)

Data Analyst (Volunteer)

2023–Present

- Built Power BI dashboards visualizing patient trends across demographics, vitals, and cognitive scores.
- Created DAX-based classification systems and calculated KPIs to identify at-risk patients.
- Cleaned and analyzed large datasets (100K+ rows) to extract patterns in medication and readmissions.
- Presented findings to stakeholders, contributing to evidence-based healthcare strategies.

Troy Adventist Academy Preschool

Lead Teacher

Troy, MI

Mar 2024–Present

- Digitized and managed student records, improving record retrieval and storage efficiency.
- Tracked behavioral and performance data to develop personalized learning plans.
- Applied data-driven insights to implement targeted classroom interventions.

Technical Projects

ICU Sepsis KPI Dashboard (Tableau): Built an interactive dashboard tracking ICU sepsis metrics such as Length of Stay and Throughput using LOD expressions and filters.

Diabetic Cognitive Analysis (Power BI): Analyzed cognitive decline and medication history. Implemented a DAX-based scoring system for cognitive states and demographics.

Patient Visit & Medication Tracker (Power BI): Tracked visits and medication trends with custom slicers by gender, age, and vitals.

SIRS & Sepsis Risk (Tableau): Visualized vitals and biomarker patterns to identify patients at risk of SIRS and Sepsis. Used advanced charts and filters.

CMVD Impact Study (Power BI): Created clinical dashboards examining CMVD impact on elderly diabetic patients using EHR and imaging data.

Education

Dr. Babasaheb Ambedkar Marathwada University

M.Sc. in Statistics

Aurangabad, India

2014–2015

Shivaji University Kolhapur

B.Sc. in Statistics

Kolhapur, India

2012–2013

Certifications

2024: Child Development Associate (CDA) – Council for Professional Recognition

Technical Skills

Languages: SQL, Python (Pandas, NumPy, Matplotlib)

Visualization: Power BI (DAX, Slicers, KPIs), Tableau (LOD, Filters)

Analysis: EDA, Data Cleaning, Statistical Analysis

Tools: Excel, Power Query, Seaborn, Git
