EDUCATION:

RUTGERS, THE STATE UNIVERSITY OF NEW JERSEY

Rutgers Business School

New Brunswick, NJ

Bachelor of Science, Business Analytics and Information Technology

May 2025

- GPA: 3.97/4.0
- Honors: Dean's List (4x), Beta Gamma Sigma Honor Society

MIDDLESEX COLLEGE

Edison, NJ

Associate of Science, Business Information Systems

May 2023

- GPA: 3.99/4.0
- Honors: Dean's List (4x), Recipient of the Business Information Systems Award for Spring 2023, Phi Theta Kappa Honor Society

RELEVANT COURSEWORK:

- Management Information Systems (Spring 2024): Applied Excel, SQL, and Tableau to clean, analyze, and visualize structured business datasets. Developed interactive dashboards and generated data-driven business recommendations as part of a final group case study
- Statistical Methods in Business (Spring 2024): Conducted exploratory and inferential statistical analysis using real-world datasets. Performed regression analysis and hypothesis testing using Excel to derive business decisions
- Business Data Management (Fall 2025): Designed and implemented normalized relational databases using SQL. Created ER diagrams and executed complex queries to support reporting needs

PROFESSIONAL EXPERIENCE:

BC Safety Supplies LLC, Sayreville, NJ

Jan 2021 - Present

Operations & Sales Assistant (Family-Owned Business)

- Assisted with inventory tracking and database entry for a small business, utilizing Microsoft Excel and Microsoft Access to improve the organization of sales data and inventory logs
- Contributed to sales outreach—both in person and online—leading to an average revenue increase of ~\$7,000 per year from returning and newly acquired customers
- Managed sales efforts across online platforms by managing listings, pricing, and fulfillment logistics, contributing to a ~\$9,360 increase in online sales revenue

PROJECT EXPERIENCE:

Wharton MBA Admissions Dataset Analysis

Nov 2024 - Dec 2024

- Examined a synthetic dataset simulating Wharton MBA admissions to help determine the most important attributes a candidate should focus on when applying to the school
- Preprocessed data using Python and selected features via Weka's classification algorithms
- Visualized insights in Tableau, highlighting GMAT scores and GPA as top predictors

SKILLS:

- Technical Skills: Excel, Access, SQL, Tableau, Python, Weka
- Analytical Skills: Data cleaning, hypothesis testing, regression modeling
- Soft Skills: Teamwork, collaboration, communication
