ACHIEVEMENTS

- Improved customer satisfaction scores (CSAT) by coaching frontline teams and implementing process changes that reduced repeat calls.
- Strengthened employee engagement and performance by mentoring teams, resulting in measurable improvements in KPIs and service delivery.
- Recognized for exceptional problem-solving and emotional intelligence in resolving high-stress customer situations, building long-term trust and loyalty.

PROFESSIONAL EXPERIENCE

Contact Center Agent II

Velera | 2023 – Present

- Partner with cross-functional teams to analyze customer pain points and streamline processes, contributing to improved customer satisfaction scores (CSAT).
- Applied strong emotional intelligence to navigate high-stress customer situations, quickly assessing needs and delivering tailored solutions that de-escalated conflict and strengthened long-term customer trust.
- Mentor new hires on empathetic communication and conflict resolution, fostering a customer-first culture.

Assembly Technician

Honeywell Aerospace | 2022 – 2023

- Ensured high-quality standards in aerospace assembly, directly supporting product reliability and end-customer satisfaction.
- Identified and resolved 15+ critical product issues, preventing downstream failures and safeguarding customer trust.
- Collaborated with engineers to improve prototype designs, enhancing overall usability and safety.

Customer Service Supervisor

Wawa, Inc. | 2020 – 2022

- Supervised and coached a team of 25 service representatives to consistently exceed customer service key performance indicators.
- Analyzed Voice of the Customer (VoC) feedback and implemented changes that improved service delivery.
- Strengthened employee engagement through coaching and team-building, resulting in measurable improvements in customer satisfaction metrics.
- Facilitated daily huddles to align team efforts with customer experience priorities and operational goals.
