Recognized for delivering **operational excellence**, driving **compliance effectiveness**, and executing **complex regulatory projects** under pressure.

EDUCATION

M.S. Finance | University of Delaware | Newark, DE | July 2025
Bachelor of Commerce | Bangalore University | India | May 2014

EXPERIENCES

ANZ Support Services India Pvt Ltd (Australia & New Zealand Banking Group)

KYC Compliance Specialist | Jun 2019 – Jul 2024

Regulatory Compliance & Due Diligence

- Conducted Event Driven Reviews (EDR's), Customer Due Diligence (CDD) and Enhanced Due Diligence (EDD) for high, medium, and low-risk clients (Both as a Maker and Checker), including **sanctions screening and PEP (Politically Exposed Persons)** reviews.
- Investigated and prepared Suspicious Activity Reports (SARs) in line with AML regulations; performed **World-Check screenings** using **LexisNexis** and supported **transaction monitoring investigations** where required.
- Utilized **Banker's Almanac** to validate client information, ensuring adherence to regulatory and compliance standards.
- Maintained up-to-date knowledge of evolving AML/KYC regulations like Office of Asset Control (OFAC), HKMA, HKSSC, ASIC, IA, RBA, CTF, Banking Secrecy Act (BSA), and global **financial crime risk management frameworks** to ensure compliance.
- Submitted and processed client exit recommendations as part of de-risking initiatives.

Process Improvement & Analysis

- Gathered and analyzed business requirements; authored BRDs and FRDs for compliance and KYC process improvements and automation, ensuring alignment with **regulatory compliance testing and audit support requirements**
- Partnered with cross-functional teams to implement system enhancements for KYC/AML operations.
- Analyzed compliance processes, identified gaps, and proposed actionable solutions that improved workflow efficiency and regulatory adherence.
- Supported UAT and compliance process improvement projects, strengthening controls while enhancing operational efficiency.

Stakeholder Engagement & Documentation

- Partnered with global stakeholders to ensure timely execution of tasks and accurate client profiling.
- Collaborated with teams across wholesale banking products like lending, Markets, Core Banking operations, Legal, Risk and Customer Service, ensuring alignment with **risk assessment frameworks** and regulatory expectations.
- Developed functional and process documentation to support regulatory and operational changes referring Applicable Customer Identification Procedure (**ACIP**)
- Delivered efficient knowledge transfers and onboarding support to junior team members, ensuring quick integration and role readiness.

Systems & Data Management

- Client Onboarding and maintenance of accounts using systems such as **Gold Tier, Siebel , Finacle (CRM), Midanz, SIG, FX Generation, and EUC tools.**
- Successfully led the **Siebel Gold Tier migration project**, updating customer profiles and transferring data with **95% accuracy**, while supporting reconciliation and compliance checks.
- Supported **Siebel profile cleanup project** for Australian Clients, improving data accuracy and compliance integrity.
- Enhanced KYC data quality and governance by validating diverse data sources, ensuring compliance with global **AML/CFT (Counter Financing of Terrorism) standards.**
